## CATCH A FREE OOPEE™ BALL

Oopee is a special ball that's so full of surprises, it's completely unpredictable. Just when you think it's going one place, it goes somewhere else. You never know what Oopee will do next because it has a weight inside that makes it all lopsided. So it curves and swerves differently every time you throw it. And that makes Oopee hard to catch. But it's easy to pick up. Just come to your Kentucky Fried Chicken store. And get your free Oopee Ball with a Picnic Pack of delicious Kentucky Fried Chicken.
