THE POWER

OF PEOPLE

ABB is the world's leading electrical engineering group. Our main businesses are power generation, power transmission, power distribution, industrial equipment and systems, including robotics and factory automation, transportation, environmental technologies, instrumentation, and communications. We are presently seeking qualified people to fill the following positions.

Test Man

Electrical Technician (or equivalent work experience). Experience in electric motor repair required. Applicant must be able to test motors and record incoming and outgoing AC and DC.

Electric Motor Mechanics

Applicants must be fully qualified with a minimum of two years experience in medium and large size motor repair. Preference given to candidates having some experience with dynamic balancing.

Armature Winders

Applicants must be fully qualified with a minimum of two years experience in medium and large size motor rewinding repair.

General Labourer

Unskilled help (preference given to applicants with mechanical background) to work in a motor rewind shop.

All positions are located at 3350 American Drive, Mississauga, Ontario. The above positions offer competitive salaries and are complemented by a full range of benefits. Applicants are invited to submit their resume to:
