Pet of the Week

Bess is a brown and white German short-haired pointer. She is a calm, quiet dog who may need some work on her housetraining. She walks well on a leash and is quite bright.

Also up for adoption at the Oakville Humane Society is Maggie — an intelligent and young female airdale cross who has learned how to sit and heel on a leash.

As well, the shelter has many small animals including five-week-old gerbils.

If interested, contact the Oakville Humane Society, 445 Maple Ave., at 845-1551.

Special Spring Commissioned Print "Heart to Heart"

Spending individual time with our children is one of the most rewarding moments in motherhood.

We happened to be blessed with a little one who loves to "sleep in" until after the other two have headed off to school! Whitney certainly knows that she has my undivided attention...after all, how can I go off to the studio to paint when I have this little bundle of inspiration right here in my arms!

It is our time to recite nursery rhymes, *cuddle* her babies, and talk about her dreams from the night before.

Silently I wish that she could stay this size forever. "But look at what lies ahead"...I tell myself. So much more to share, tomorrow...heart to heart.
