Double Chocolate Cake

It's twice as tasty but just as simple

When you're planning a picnic this summer, don't forget to pack Easy Double Chocolate Cake.

It's a simple one bowl cake that's oh, so good.

Evaporated milk keeps it moist and tender while cocoa and chocolate chips make it a double chocolate hit.

Easy Double Chocolate Cake

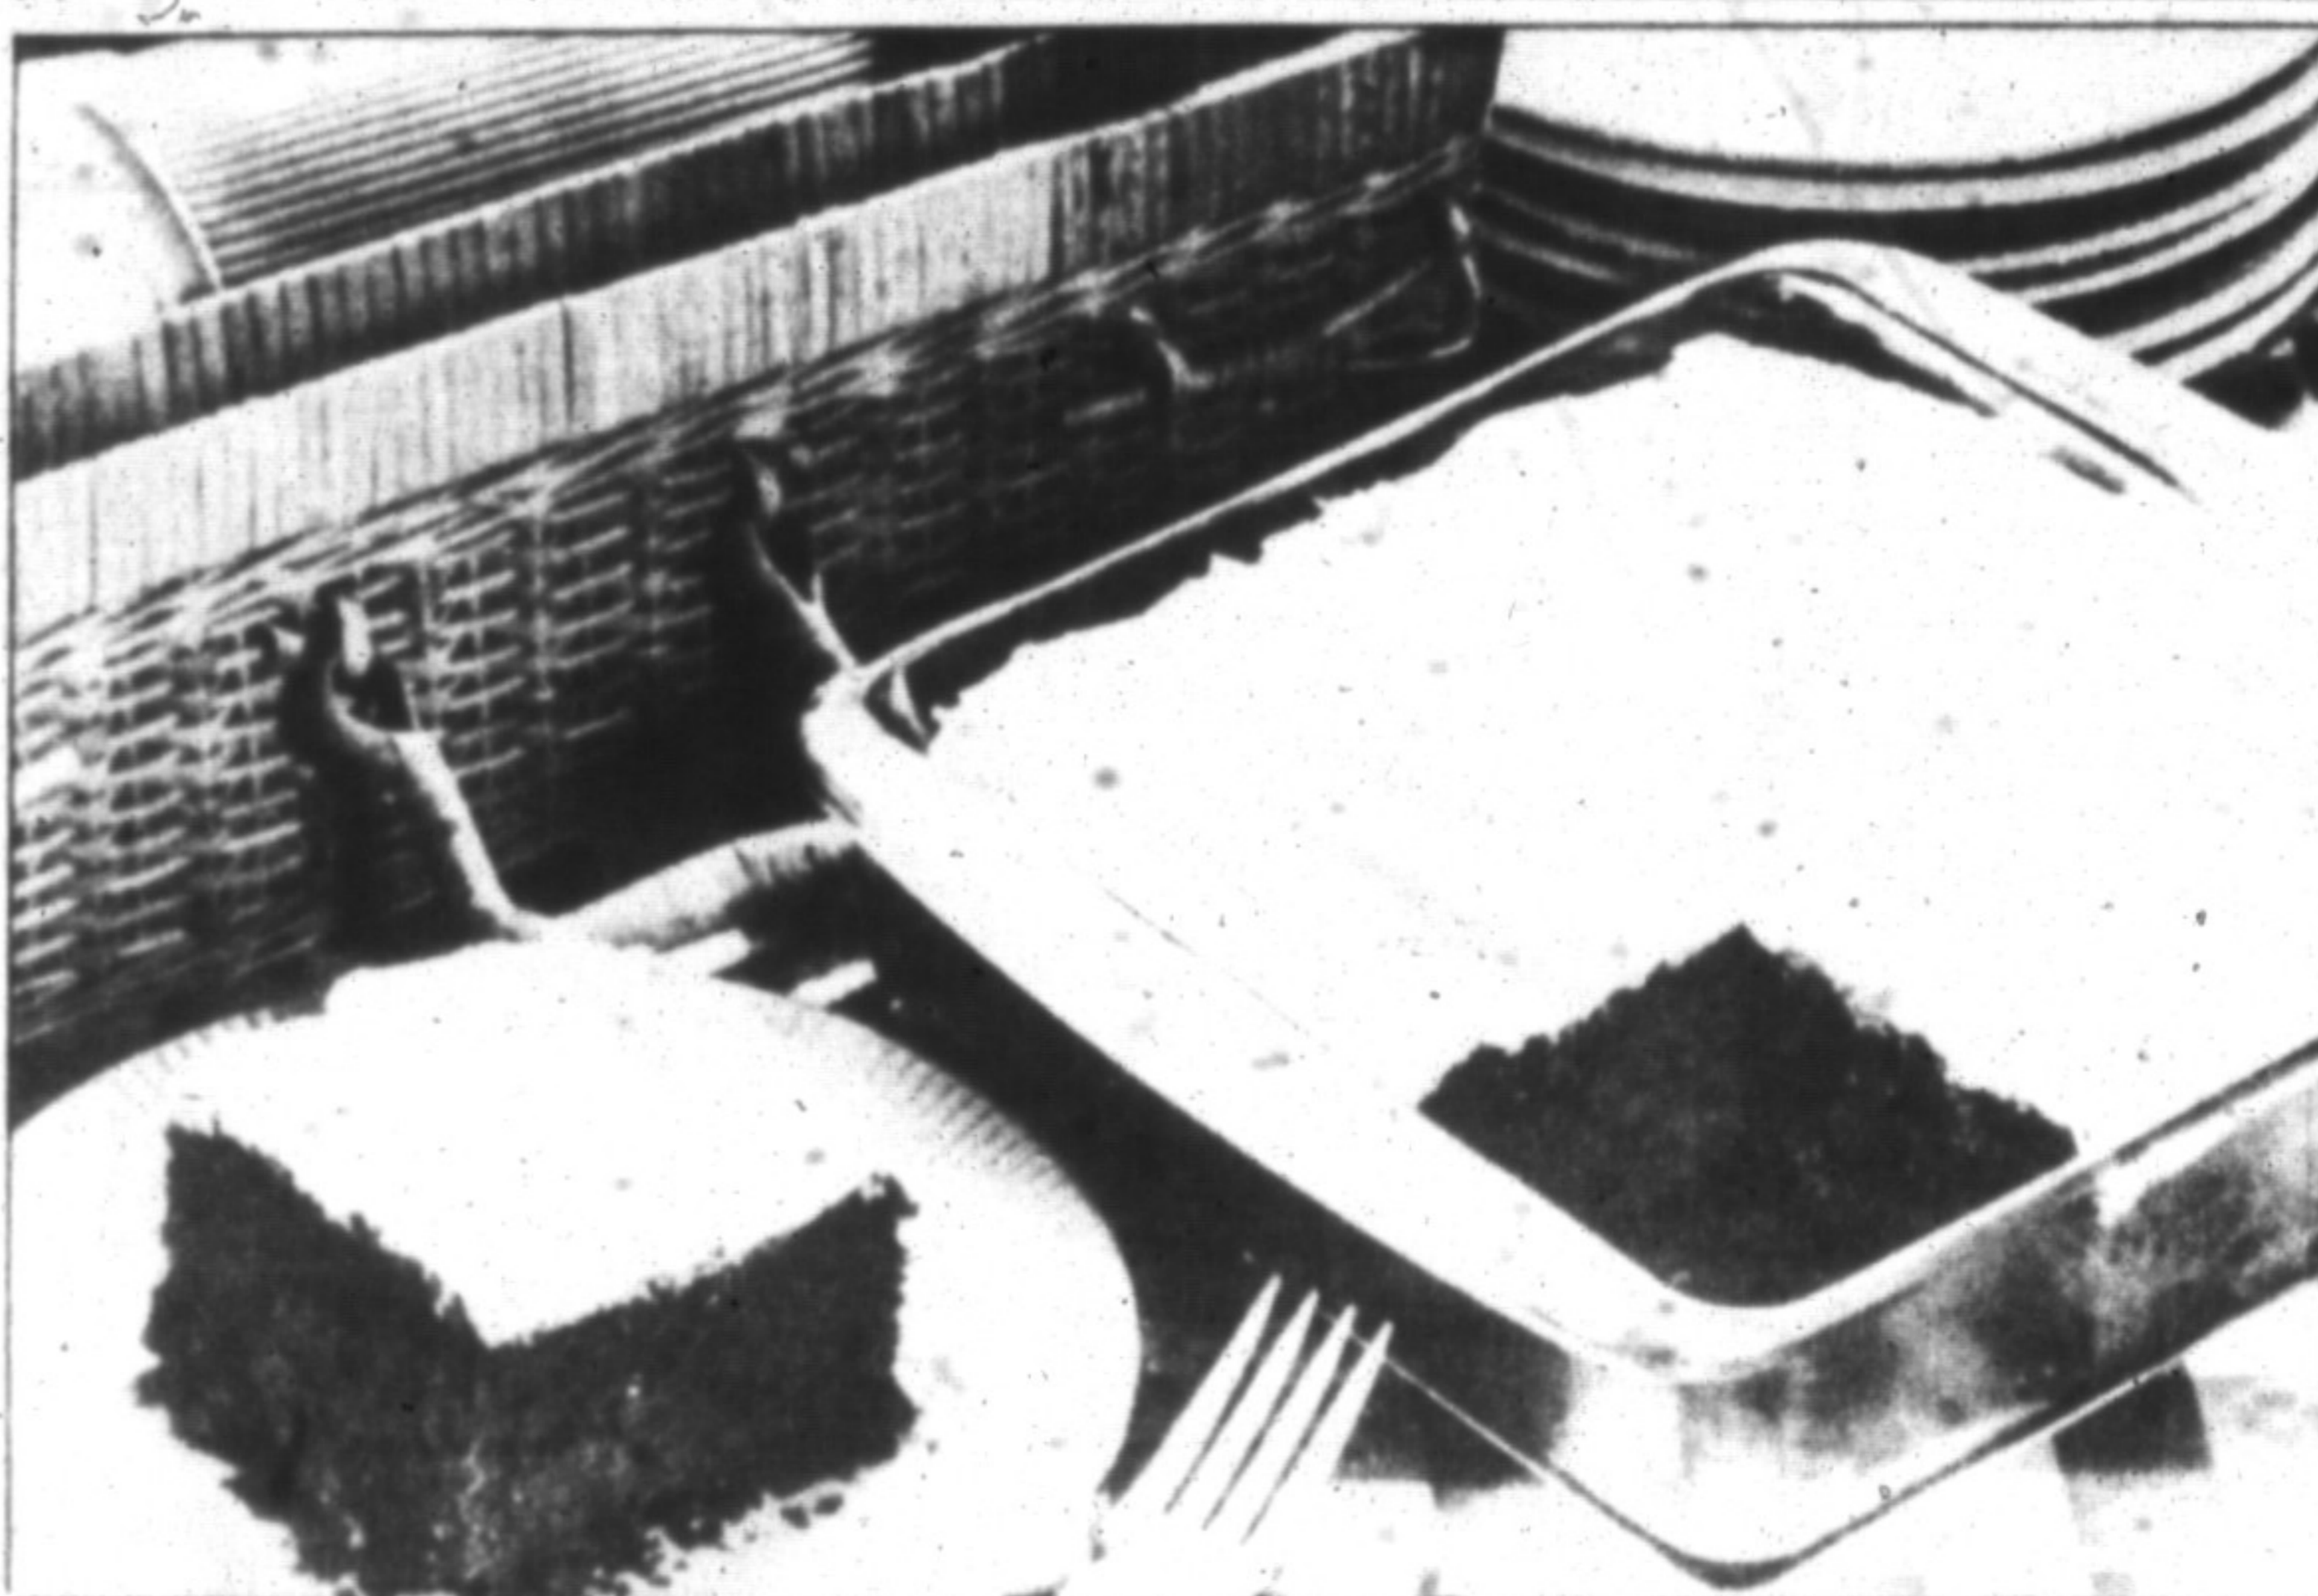

- 1/2 cup (125 ml) butter, softened.
- 1 1/4 cups (300 ml) sugar.
- 2 cups (500 ml) all purpose flour.
- 1/4 cup (50 ml) unsweetened cocoa powder.
- 2 1/2 tsp (12 ml) baking powder.
- 1 tsp (5 ml) salt.
- 2/3 cup (150 ml) undiluted regular or 2% evaporated partly skimmed milk.

- 1/3 cup (75 ml) water.
- 1 tbsp (15 ml) mayonnaise.
- 1 egg.
- 1 pkg (175 g) semi-sweet chocolate chips.

**Directions:** Cream butter and sugar until light in large mixer bowl. Sift together flour, cocoa, baking powder and salt. Add flour mixture, evaporated milk, water, mayonnaise and egg to creamed mixture.

Beat for two minutes at medium speed on mixer. Stir in chocolate chips.

Pour into greased and floured nine-inch (23 cm) square baking pan. Bake in 350F (180C) oven 55 to 60 minutes or until done. Cool. Frost with your favourite chocolate or vanilla frosting. Makes one nine-inch (23 cm) square cake.

Picnic time or anytime, Easy Double Chocolate Cake is a winner.

Something in the way she moves.

Julie doesn't move the way she used to. When she arrived at Lyndhurst, she didn't move at all. But after 12 months of exhausting rehabilitation, she does move. Changed forever, but full of hope. Lyndhurst is the only rehabilitation centre in Canada that deals solely with spinal cord injuries. Over half of Lyndhurst's patients are under the age of 25. This devastating injury breaks spirits as well as bodies.

One day we hope to rebuild spinal cords. Until then we're rebuilding lives. But we can't do it alone.

Please make your donation today.

You can help rebuild a life. **LYNDHURST** Building hope. Rebuilding lives.
