"... I've completed my B.A. part-time at Laurier and am now beginning to see my career goals within my reach. Going back to university is a good idea whether or not you want to complete a degree. There's personal satisfaction in learning something new... and you meet a lot of nice people."

Exploring New Horizons

FALL SEMESTER 1990
September 10 - December 21

Laurier offers courses both through classroom lectures and at a distance, through Telecollege. In Brampton, degree programs are available on a part-time basis in six disciplines, or you can work toward a Diploma in Business Administration, or an Arts Certificate. Rather than completing a program, you may want to study only for your own interest and enjoyment. Whatever your motivation, we're here to help you achieve your educational goals.

Classes are available for part-time students at Brampton Centennial Secondary School, 251 McMurchy Avenue South, Brampton. Teleconferences for Telecollege courses are also held at this location. We're sure that at Laurier, you'll find classes that suit your interests, career and schedule.

TAKE ME, I'M YOURS

A long time ago, God made an offer to us. Basically he said, "Take Me, I'm yours." Since then, we've taken Him, all right, although not in the way He wanted us to. But God is steadfast. His love for us is eternal. He will forgive us, if we just ask. Two thousand years ago, He established a plan of salvation for all of us, for the duration of the world. It is THAT plan that we talk about at Omagh Church of Christ. We don't add to the plan, we don't take away from it. It's God's plan... and we gradually accept it.
