Canada Wire under 16s take league title

Canada Wire claimed this year's boys under 16 Milton Youth Soccer Club houseleague soccer title with a 7-3 win over Autogenics.

Canada Wire finished the regular schedule in second place, trailing only Autogenics, who as the first place team were favourites going into the round robin playoff.

Canada Wire defeated Autogenics in the first round robin match but the squad showed their determination and qualified for the final as they had the best goal differential of the three second place teams.

In the final Autogenics was hurt by the loss of defensive specialist Mike Brown but they still managed a strong effort.

At the halfway point the game was still up in the air with the score tied 2-2. Chris Pierson scored both goals for Canada Wire, while Matt Davidson tallied both markers for Autogenics.

About 15 minutes into the second half Pierson scored a goal to give him a hat trick for the day, his second of the playoff series.

After that goal Canada Wire never looked back.

The victors received additional

goals from Danny Grdasic, Tony Savio and Cliff Darling.

Autogenics managed to score another goal late in the game as a result of a nifty breakaway by Julius Stampacchia, who also performed well in the playoffs as a netminder.

Andrew Failer added icing to the cake when he tallied on a penalty

kick to close out the scoring.

Canada Wire won every game in the round robin segment. The entire team should be credited for a great effort. Pierson and Failer combined for 14 goals during the four game tournament.

Brian DeWolf, Grdasic, Brad Lister and Savio also played well on the

forward line.

John Barrett, Michael DeWolf and Matt Price were steady as midfielders. Extra credit goes to the team's backfielders including Darling, Derek Lewis, Marc Peterzell and Aaron Price. Darris Kinsey turned in an outstanding performance in the Canada Wire net.
