

# Sponsorless major peewees win twice and tie Hamilton

## REP AAA

In recent action the major peewee Hurricanes defeated Chinguacousy 6-4, edged Brampton 4-3, and tied Hamilton 3-3.

Manager Frank Haydar is still looking for a sponsor for the squad, which is expected to play more than 100 games this season, including tournaments in Quebec and the United States.

Both Hurricane goalies, Kevin Wilson (Milton) and Steve Heinz (Georgetown) looked strong between the pipes, receiving solid protection from the defensive trio of Orangeville's Bobby Wilson, Milton's Todd Belford and Georgetown's Tim Diardichuk.

On Oct. 29 against Hamilton, Halton opened the scoring in the first 11 seconds of the game when Scott Bertoli hit the mark from Daryl Loader. Only 29 seconds later it was tied.

Halfway through the first Flamborough's Robin Crawford got the go-ahead goal from Georgetown's Paul Sandifer and Sandy Davidson. With just seconds left in the first frame, Milton's Trevor Kuhn made it 3-1 from Orangeville's Phil Sanderson. Hamilton waited until the third period to mount the rush that would even it up. The game ended in a tie.

The Hurricanes were next pitted against Brampton. Because of a number of other activities, Milton came out a little flat, giving up the first goal.

Bertoli tied the score at one at 5:28 of the first frame, unassisted. A hungrier Brampton took the lead again with only 22 seconds remaining but at 14:49 of the second frame Mark McPhail stole the puck and tied it at two.

The lead swung back to Brampton five minutes later but Bertoli quickly responded with another unassisted effort to knot the score.

The deadlock was shattered when Loader scored the game winner, set up by Sanderson and Milton's Jeff Haydar and Bertoli.

In the Hurricanes' 6-4 win over Ching it seemed every Halton player who touched the puck paid a price, each getting knocked off his skates by the vastly improved and hard hitting hosts.

But Halton's reflexes accelerated into high gear to defeat Ching in their second meeting.

Loader led the brigade with a hat trick, followed closely by Haydar's goal and two assists. Bertoli had a goal and an assist while Georgetown's Marc Boucher earned a goal.

Goal lines: The major peewees now have a 6-2-2 record, having lost only to Burlington, the defending league champions in the seven team central league.

## Major midget AAA

The Canada Brick Hurricanes took part in the Oshawa Midget Classic Tournament on the weekend and came fairly close to gaining a title round berth.

Milton was shut out 3-0 by the tournament runners-up, Welland. Enroute to that game, Milton edged host Oshawa 2-1, shaded Toledo, Ohio 3-2 and tied Kitchener 3-3.

In the first game Halton faced off against Oshawa, the defending champions, and upset the hosts 2-1. Canada Brick's Peter Downs was a standout in goal as he made numerous exceptional stops and was voted game MVP.

After furious action at both ends the Hurricanes scored first with 51 seconds remaining in the second period. Jake Mashinter passed to point man Brad Amato, who cruised in and blasted one in the top shelf. Oshawa evened the score at the 10:30 mark of the third frame.

With a mere 16 seconds left on the clock the stage was set for a hero and Canada Brick came up with one. Todd Mulley moved the puck to Trevor Elenesky in a goalmouth scramble. After three whacks at the puck Elenesky scored to give Halton the 2-1 win.

## Rep Hockey

Game two was against Toledo, Ohio and more heroics were required for a 3-2 win. Game MVP Gio Piazza completed a come from behind win with a goal with only 2:11 left on the clock.

Canada Brick scored first as Piazza moved the puck from behind the net to Mike Cox, who converted from the slot early in the first. Toledo went ahead 2-1 in the second but with 24 seconds left in the period Piazza took a pass from Mike McPhail and fired a slapshot that found the mark just inside the post to tie the game.

It looked as though it might go down as a tie until with 2:15 remaining Toledo took a penalty. On the ensuing faceoff Pat Henneberry drew the puck to defenceman Damien Dubien on the right point. Dubien passed to partner Wade Burrows on the left side. Burrows' slapshot rebounded off the goalie's pads and Piazza pounced on it and drilled it home for the 3-2 win.

Kitchener was next, and Canada Brick again had to fight back from a 3-0 deficit for come up with a tie. Cox started the comeback with an unassisted goal in the second period. Amato blasted his second of the tourney from Mulley to make it 3-2 before the end of the second. At 11:12 of the third, game MVP Henneberry connected from the slot with assists going to Cox and Dubien to tie the game and earn a point.

In their final game Halton ran into a brick wall of their own as they were blanked 3-0 by the eventual tourney silver medalists, Welland. Hamilton won the gold.

The Welland goaltender earned game MVP honours along with Halton's Cox, whom he stopped all game long.

## Minor Peewee AAA

Last weekend the Hurricanes hosted Brampton Maroons before travelling to Oakville to play the Oakville Rangers. Although Milton ended up with a split, they earned their first shutout of the season.

The Brampton Maroons visited Alcott Arena for their first meeting with the Hurricanes. The game ended in a Milton shutout, thanks to goalie Jim Leworthy and seven goals.

In the other contest, Oakville shaded Milton 5-4.

Leworthy, substituting for the ailing Jeff Langille against Brampton, earned the shutout with some outstanding saves. The best came with 1:50 remaining in the game. With Brampton pressing to break the shutout Leworthy made a post-to-post slide to deny a frustrated Maroon forward and preserve the shutout.

As in all shutouts the Hurricane defence played a big part in the game, taking away most of the Brampton offensive opportunities.

The flip side was a sluggish Hurricane offence that took some time to build up steam. Peter Mashinter tipped one in on a passing play set up by Todd Miller and Andrew Hartholt.

At 5:04 of the second frame, shortly after killing a penalty, Justin Davis found the bottom corner with a 15-footer to give Halton a 2-0 lead.

Early in the third the Hurricanes really started to blow. At 8:37 Miller scored a powerplay goal on a pass by Mashinter, when he was allowed to walk in front from the corner.

Two minutes later Davis scored his second, this one shorthanded, with assists going to Jamie Briggs and Darin Finlayson to put the Hurricanes up by four. Just 50 seconds later Hartholt combined with Miller and Mashinter to score on a nicely executed wrap around.

On the next shift Steve Roy, Curtis Carr and Doug Janjevich jumped into the offensive frenzy with three rapid fire chances but came away hungry. With only 1:18 remaining

Halton struck again. This time Mashinter got his second of the game, set up by Hartholt and Briggs. Before the Maroons' goalie could blink, Briggs scored Halton's seventh goal on a rebound.

The next day the squad took on Oakville with the Rangers coming out quickly, determined to make up for their previous loss to the 'Canes.
