

# Hondas need a booster jump – still winless in league

This has not been the most memorable of seasons for Milton Honda AA minor peewees in that they have yet to notch a win in league play.

Losses to Orangeville 5-3 and Chinguacousy 4-1 preceded a 2-2 tie with Oakville last week. Each time out the squad shows improvement and they feel close to the victory column now.

In the Orangeville loss all three goals came from the rearguards with Robert Haringa, Stuart Colvin and Justin Mikelenas notching the markers. Paul Meehan picked up an assist on Haringa's goal.

Chinguacousy scored at 1:10 into the game but Milton did not collapse. A Milton goal by speedster Mike Walsh at 2:57 of the third frame tied it up. Trevor Petherick picked up an assist. Chinguacousy managed to take advantage of the tiring Honda squad in the third and notch three to claim victory.

Andrew Sharpe and Jamie Foster put the puck in the net for Milton in their 2-2 tie with Oakville. Assists went to Colvin and Mikelenas. Peter Dennis played a strong game in goal.

## Minor Novice AA

Freightfast was on the raw end of three losses last week, going down to Brampton 5-3 and 5-4 and losing to Streetsville 8-2.

In the opener of the set Milton struck first against Brampton with a strong goal from Caleb Moffat, with an assist going to Derek Mehinney. The fast paced game had Milton displaying strong defence from Matthew Ventura and Andrew Marshall but as the period closed Brampton zipped a couple of shots past a startled Josh Arnold in the Milton net.

Milton's second goal came from Craig MacDonald, with an assist to Tyler Rennie. Milton was down by two going into the final period.

## Rep Hockey

Derek Mehinney took a pass from MacDonald to put Milton within one. Moffat also assisted on the play. Brampton returned the marker to reclaim their two goal lead at 5-3.

The next night Milton hosted Streetsville and was bombed 8-2. Jeff Johnston and Trevor Rogers shared the goaltending duties for Milton and each was touched up for four bingles.

Milton was flat and the players were constantly out of position as their goalies were left unprotected. The second period was the strongest defensively for Milton as they kept pace with Streetsville. MacDonald was hemmed in for most of the game, reducing the offence for the home side.

MacDonald did collect two breakaways, making each one count for the only two goals for Freightfast. Moffat earned an assist on the first.

On November 10, Milton had a rematch with Brampton and provided an exciting game despite the 5-4 loss. Brampton struck first with a shorthanded marker while MacDonald was in the box. Milton got tied up on a line change and Brampton took advantage for a 2-0 lead.

Zach Cosby fed MacDonald to notch Milton's first marker. Brampton struck back quickly, but just as quickly Milton scored a pair to tie it up. Kris Beal worked hard to keep the puck in Brampton's end and it paid off when Mehinney scored unassisted and Moffat scored, with an assist going to MacDonald.

Brampton converted a melee in front of the Milton net into the go-ahead goal and they won a faceoff

deep in Milton territory and turned it into a goal for a 5-3 lead. Milton pressured and scored on a MacDonald shot to get close but a number of other attempts slipped wide and the team failed to score. Scott Birnie, Ryan Ellis, Daryl Knowles and Kevin Spaltich all had excellent games.

## Major Novice AA

The P.L. Robertson squad had a difficult and busy schedule beating Brampton 5-0 and 2-1, tying Ancaster 2-2 and losing to Chinguacousy 4-2.

In the 5-0 win over Brampton the goals were scored by Adam Hearn and Mike Wheelihan, each with a pair, and Chris Bramwell. Trevor Saliba notched the shutout for Milton.

The 2-1 Milton win in the rematch came courtesy of Bramwell and Birnie goals. Assists went to Jason Ford, Brian Ghent, Daniel Bonham and Dave McFarlane. The goaltending was shared between Saliba and Brett McClure.

In the 2-2 tie with Ancaster, Milton goals were scored by D.J. Birnie and Wheelihan.

With the win the team had skated to seven consecutive wins.

On Sunday Milton travelled to Chinguacousy for their first loss in eight games. Goals came from McFarlane and Hearn with assists claimed by Birnie, Bramwell and Wheelihan.

### Major Peewee AAA

In three games over three days the Halton Hurricanes earned a pair of wins, beating Oakville 5-1 and Barrie 6-3, but losing to their nemesis Burlington 5-2.

Excellent netminding has been the trademark of the team, with Kevin Wilson of Milton and Steve Heinz of Georgetown both having successful-

ly transferred to the higher level.

Halton hosted Barrie, doubling them 6-3. Scott Bertoli led the team with a hat trick while Daryl Loader earned one goal and a pair of assists. Paul Sandifer and Iain MacIntosh each notched singles. Sandifer set up a pair while Robin Crawford, Jeff Haydar and Mark McPhail earned single assists.

In the 5-1 win over Oakville Halton went with short shifts for both the defence and forwards, which al-

lowed the team to maintain a relentlessly quick pace.

The strategy produced the first win over Oakville in four tries. Oakville looked shell shocked at the pace even though Halton played with a manpower disadvantage one third of the game longer than their opponents.

Marc Boucher and Sandy Davidson combined with Bobby Wilson to effectively kill several penalties.

"We've got a lot of team spirit but not a lot of talent," Poletto said. "We only have heart and soul. The kid's attitude is key."

Poletto says he is organizing trips to tournaments in Fenelon Falls, Peterborough and Sudbury. "The guys like tournaments and it is a way to bulk up the schedule, which draws interest from the players."

Reding hosts E.C. Drury next Tuesday at Thompson Arena at 3:30 p.m. Drury beat Milton District 4-2 in their opener at Tonelli Arena on Monday.
