It was a 1-2-3 kind of week for single-A Optimist atoms

from HONDAS on page 19
Haydar led with one goal and three assists while Loader, Phillip Sanderson, Tim Diardichuk and Sandifer each netted one goal. Bertoli set up a pair and Crawford got one assist.

Against Burlington the Hurricanes tore a page out of the Maple Leafs' playbook as they squandered a lead for the third straight time against the defending league champions.

Burlington's aggressive penalty killing dumped Halton 5-2, with a pair of shorthanded efforts being the telling blow.

Halton initially led 2-0 on goals from Todd Belford and Crawford, who got his on the powerplay with Loader and Haydar notching assists.

It was a one, two, three week for the Optimists with a win, loss and tie in games against Orangeville, Oakville and Erin.

The win came against Oakville 5-2, the tie was a 5-5 affair with Orangeville and the loss came 8-1 at the hands of Erin.

The Optimists picked up a point in a 5-5 tie with Orangeville.

The team started strongly but gave up the first goal when they allowed a breakaway. The Optimists had trouble clearing the puck and Orangeville zipped in their second.

Mark Agla scored the first goal after a pass from Jeremiah Tilstra and Colin Carroll.

Brian Johnston and Andy Riddle both had narrow misses as Milton tried to tie before the end of the first period.

Tilstra popped in a fast goal early in the second with Chris Chlisczyk and Brad Heipel getting assists.

Orangeville retaliated with a blast

past Travis Rogers in the Milton net. Tilstra counted another bingle as he deked two Orangeville players. Peter Merry earned an assist.

Riddle helped to set up the go-ahead goal with an excellent pass to Heipel.

Orangeville came back with two quick goals as Milton got their lines crossed.

Late in the second Riddle scored on an end-to-end breakaway to tie at five.

Both teams were shut out in the third frame with Milton fending off a powerplay attempt in the last two minutes.

The Optimists scored a 5-2 win over Oakville on the same day as their tie with Orangeville. The win came in an exhibition game.

Milton struck first in the middle of the opening frame when Agla fired one past the Oakville keeper with assists going to Steve Gervais and Riddle.

Late in the period Oakville managed to crack the scorecard with a high shot past Mike Johnston.

Good penalty killing by Milton kept the teams tied until early in the second when Riddle and Gervais combined for a shorthanded goal. Oakville fought back to score on the powerplay.

Riddle fired an unassisted goal in the dying seconds of the middle frame to claim a 3-2 lead. In third frame it was all Milton as Riddle racked up his third hat trick of the season and an assist. Brian Johnston scored and Gervais and Miro Koprnicky earned assists.

Four days later the Optimists were caught flat footed as Erin came out

charging for an 8-1 win.

Erin scored on their first two shots. For a short time things looked promising for Milton as they came on strongly in the second.

A fast goal from Agla with assists to Kent Peters and Gervais got the Optimists back into the game but two markers from Erin left Milton scrambling for cover.

Carroll had a couple of good scoring chances but the bounces weren't going the Milton way.

Erin entered the third period up six and notched a shorthanded goal late in the game to complete the scoring.

Milton Athletics hosted two teams on the weekend, claiming a come-from-behind 3-3 tie with Flamborough and suffering a 6-4 loss to Erin.

In the first game on Saturday against Flamborough the visitors came out fast and zipped in a couple of quick goals.

They managed another at 6:07 of the second frame to run up a 3-0 lead.

Despite the aggressive, hard body contact style of play from the Flamborough team, the Athletics bounced back with a goal in the second and two more in the third to get the tie.

Goal scorers for Milton were Shane Ridley with a pair and Greg Newton. Assists were notched by Pemberton, Jenkins and Davenport.

The next day at Memorial Arena, Milton met Erin and lost 6-4.

The game was marred by soft ice and wet conditions due to a compressor breakdown, which made it difficult to control the puck.

Goal scorers for Milton were Jenkins, Ridley with a pair and Russ Flemming. Assists went to Seeds, Healey, Blanchet, Pender and Jenkins with a pair.
