HEATING & AIR CONDITIONING  
GAS & OIL INSTALLATIONS

**GUS MOWBRAY LTD.**

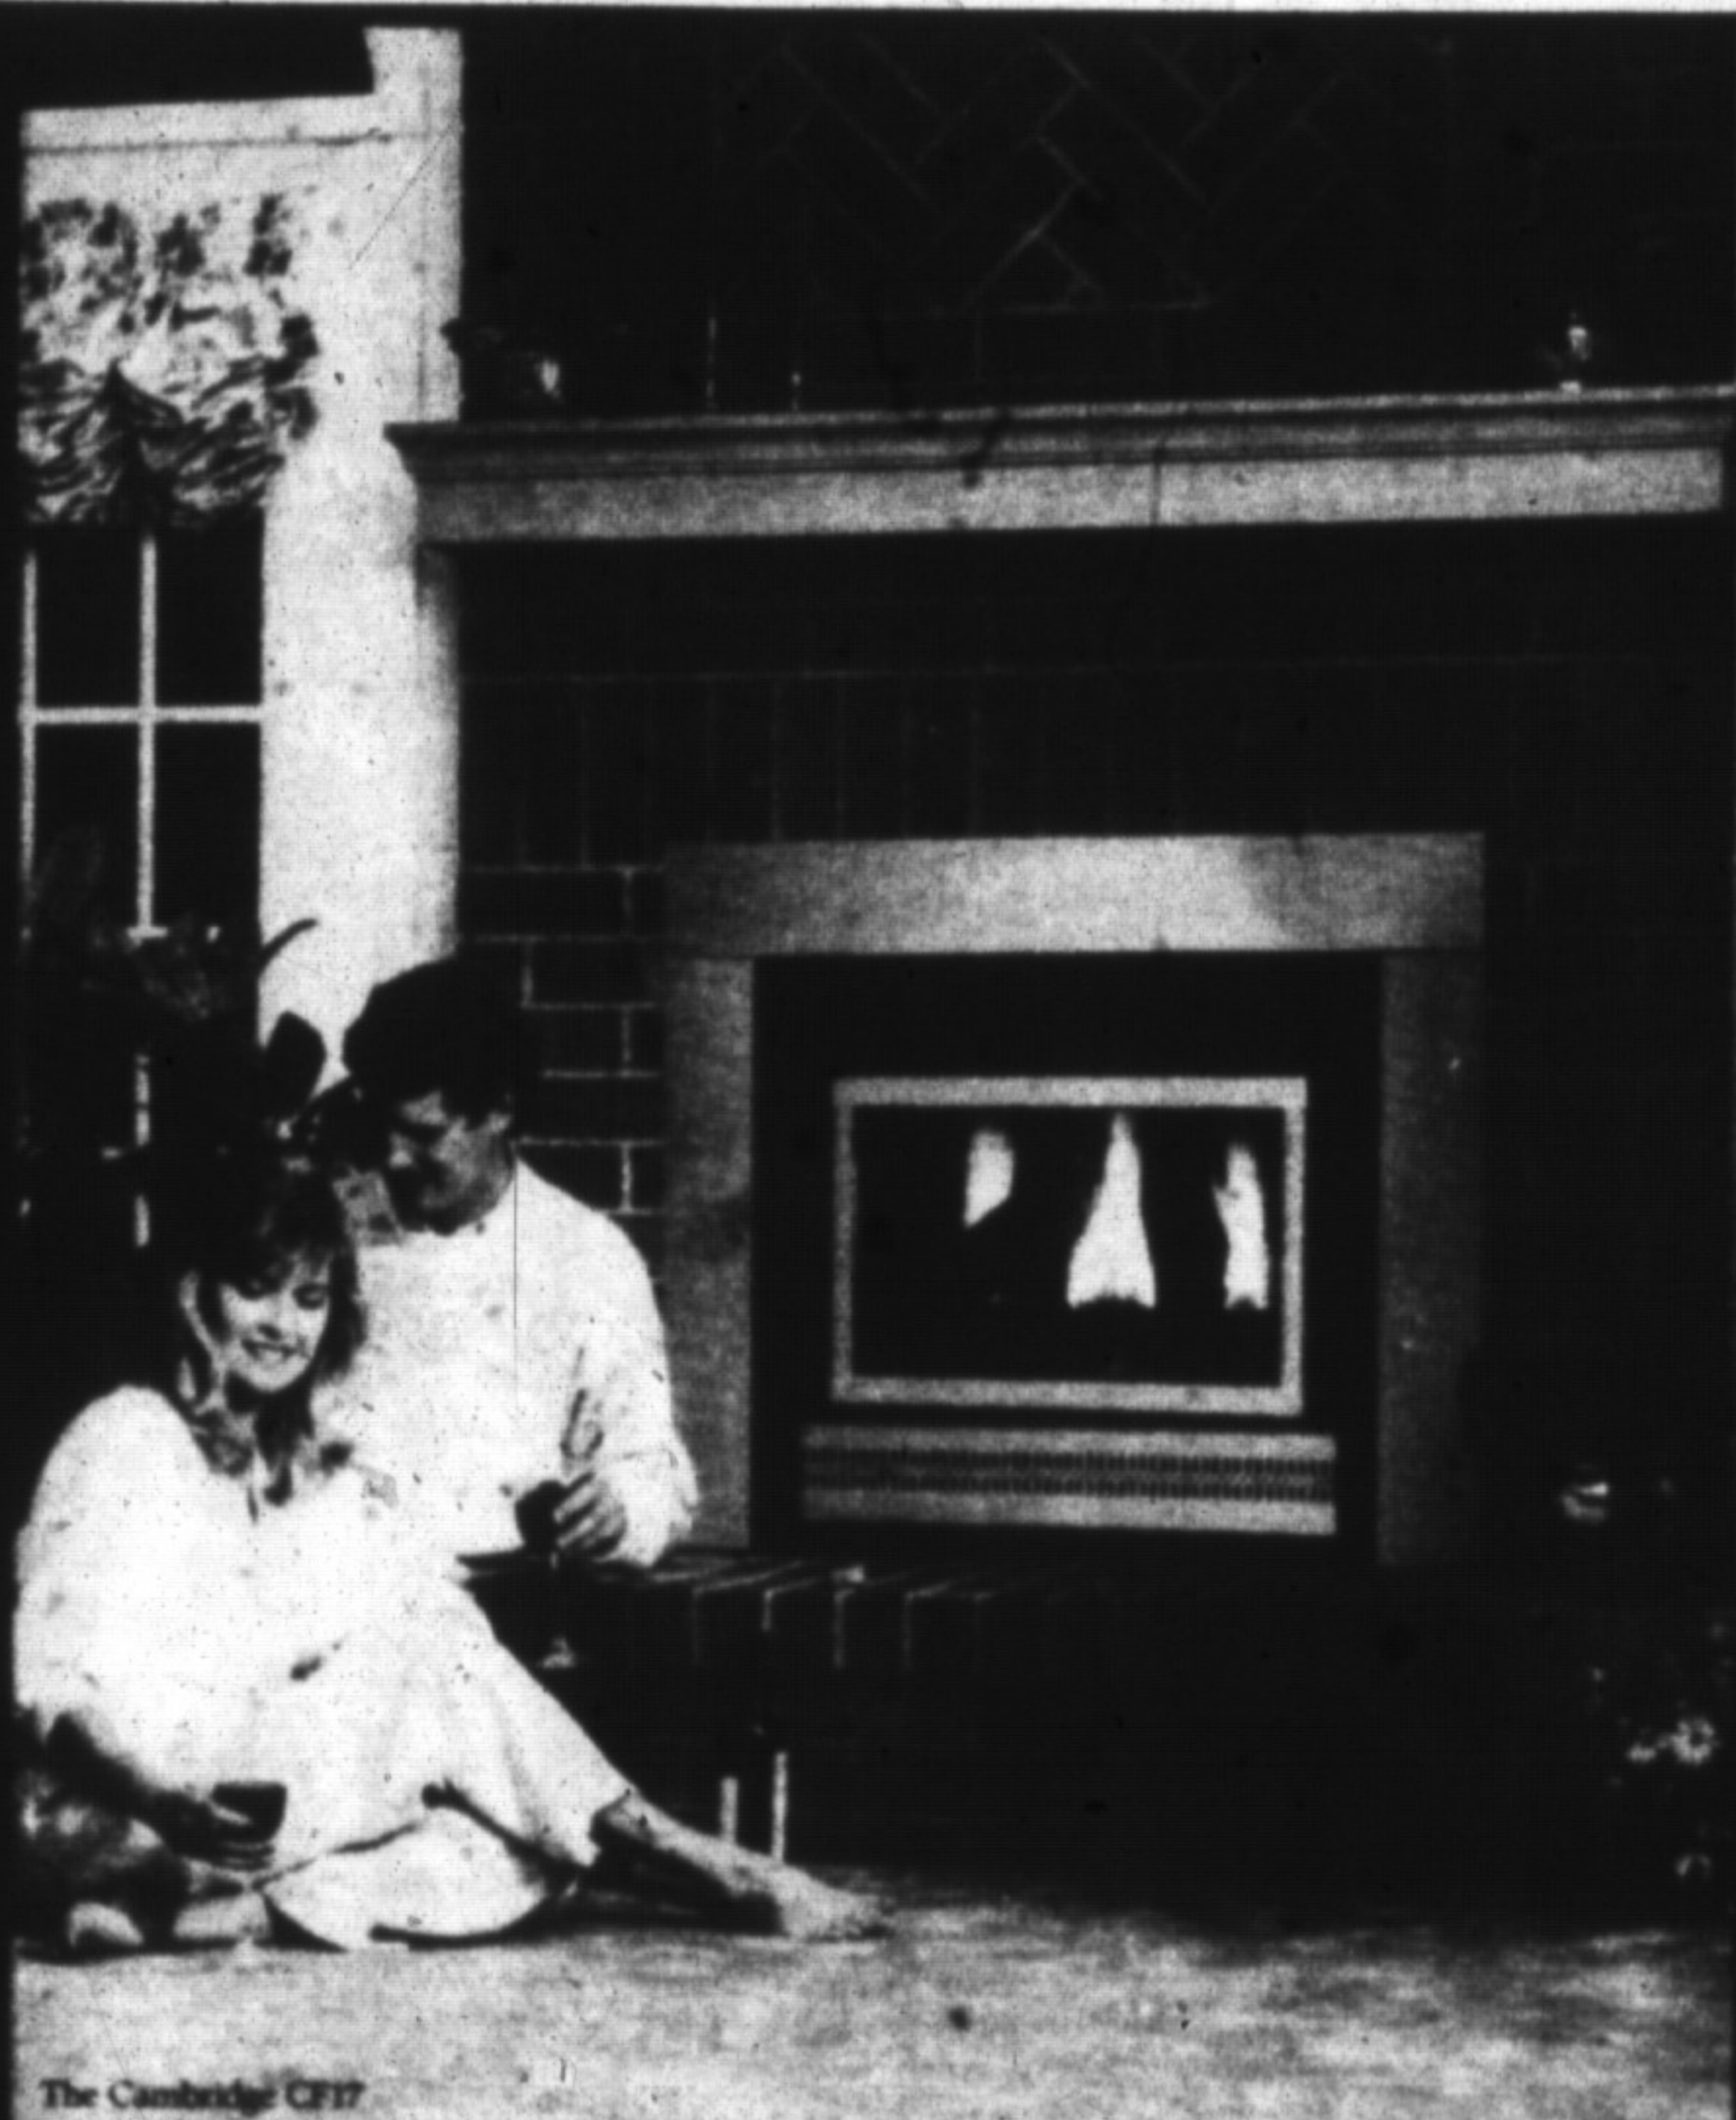

The Cambridge CF28

CF17 is a fireplace insert that can be installed in an existing fireplace. A choice of attractive finish is available.

The Cambridge CF17 becomes the focal point of your design plan as it combines beauty and versatility. Install the zero-clearance CF17 in a variety of finishes including stone, marble, stone, drywall, paneling, brick, wood, wallpaper or tile. There is an attractive choice of finishes.

Since 1974, Cam has been leading the North American market in home comfort products. Our gas fireplaces follow the Cam tradition of dependability, safety and quality.

Enjoy the warmth, beauty and pleasure of a Cambridge fireplace. It's a glowing reflection on you.
