

Optimists lose close games

Milton Optimists minor atom A team had a couple of tough, back-to-back games recently losing 4-3 to Oakville and grinding out a 2-2 tie with Georgetown.

Against Oakville the Optimists played a strong game despite giving up a goal off the opening face off. Milton was unable to clear through much of the first period and had to count on goalie Mike Johnston to field several tough shots.

Andy Fiddle used help from Brian Johnston to fashion a goal off the opening face off of the second frame to tie the game at one. Solid play by Ryan Marshall, Brad Heipel and Peter Merry kept Oakville off the scoreboard for most of the period.

After going down late in the second Milton bounced back to tie early in the final frame on a Kent Peters goal, with assists going to Mark Agla and Riddle. Milton put on a defensive display through most of the period but two quick goals gave Oakville a 4-2 lead.

Good pressure in the Oakville end resulted in a Milton goal as Riddle slid one home, with an assist to Agla, but they were unable to convert position into a goal to tie.

Optimists travelled to Georgetown in what was a penalty-riddled game which ended in a 2-2 draw.

Georgetown began to intimidate Milton but were caught with penalties for body contact and slashing. Milton peppered the net with shots before Joe Mulligan finally knocked one home.

In the second, with Milton a man down, Georgetown hit the board with a crafty backhand shot, catching goalie Johnston on the short side. Mulligan retaliated with a shot from the corner of the crease for a 2-1 lead. Brad Woods helped to set up the goal.

Mulligan had a chance for the hat trick on a breakaway but couldn't pot the shot. Optimists had many chances to notch a third goal but they were unable to convert.
