## Major peewees nip Brampton to capture regional Silver Stick

The major peewee AAA 'Canes managed much success in recent games, nipping Brampton 6-5 in league play before winning the Regional Silver Stick Tournament in Chinguacousy and having a fine showing at the 20th annual Oshawa Tournament.

The team has only been together three months but has managed to win two of four tournaments. In the Silver Stick qualifier they managed 17 goals while allowing only four.

In their first contest they battled North York Canadiens to a 3-3 tie. The Hurricanes led 3-0 by the 7:24 mark of the second but with 2:47 left in the game the Canadiens started a comeback. It would see them tie the contest with four seconds remaining.

Marc Boucher, Jeff Haydar and Danny Davidson scored the goals. Assists went to Bobby Wilson with two and Daryl Loader with a single.

The Hurricanes managed a tight 1-0 victory over Brampton in their second game. Brampton plays a physical game and it came back to haunt them in this contest as their coach was ejected with a gross misconduct during the first period.

Goalkeeper Kevin Wilson recorded his first shutout in a pivotal game. Halton's only goal was scored by Scott Bertoli on a breakaway pass from wingers Haydar and Loader. Brampton had already won two games in the tournament but the loss crippled their chances to advance.

Halton crushed Mississauga Terriers 9-0 to claim the divisional title and move on in the tournament. Steve Heinz chalked up his third shutout of the season as his teammates allowed only four shots to trickle through to their netminder.

Loader and Bertoli led with two goals and four assists each while linemate Haydar notched two goals and three assists. Ian Macintosh had two goals, including the game winner, while Phillip Sanderson notched the other goal. The Hurricanes completed the elimination round as the only undefeated team in either division. Burlington, top in the

### Rep Hockey

Central triple A league, finished last in the other division.

In the championship game tension mounted as the opening ceremonies began with each player individually introduced over a loudspeaker to the capacity crowd.

Whitby, the defending Ontario double A champions, towered over the referees and the Halton squad. A tight match ensued.

In the first period the teams played defensively, sizing each other up. With 58 seconds left Whitby scored which could well have been the game winner. Halton's goalie Wilson stonewalled the opposition after that and made some brilliant saves.

The Hurricanes refused to roll over. At 7:06 of the second frame goalie Wilson passed the puck to Kuffn, whose end-to-end rush and lightning shot, before the Whitby netminder could move, created a spark that ignited the Hurricanes.

Early in the third Robin Crawford smoked Whitby with a cannonading shot from beyond the blue line which hit the post and sailed back to Crawford before hitting the ice. The crowd sat in stunned silence.

Shaken, the Whitby team picked their jaws up off the ice, but the momentum had swung away. With 11:39 left Diardichuk passed to Crawford, who passed it out front. Paul Sandifer used some good heads up playmaking to tuck it in behind the goalie for the game winner.

Four minutes later Diardichuk once again teamed with Sandifer for the insurance marker. Sandifer completed his hat trick with an empty net slider with just 58 seconds left on the clock.

The North American Inyitational AAA Silver Stick Championships are to be held in Port Huron Jan. 12-14 to determine the top team of 13-year-old hockey players.

The 'Canes had trouble with their power play in the Oshawa tournament as they managed a 1-1 record despite having a huge advantage in power-play opportunities.

Halton opened the tourney with a 2-2 tie against Toronto Red Wings. Halton is in second place in the Central League while the Red Wings are in second place in the MTHL.

Halton failed to take advantage of numerous power-play opportunities in the first two periods. Sanderson tipped in a Loader pass at 1:36 of the first for a goal that looked like it might stand as the only Halton goal. Toronto managed a pair to lead 2-1.

Halton fans had practically given up hope when, after a period of narrow misses, two good scoring opportunities were whistled down in the last minute. With scant seconds on the clock Loader shot the puck at the Red Wing goaltender from the corner. The puck took an odd turn, hit the goalie and bounced in. There was only one second on the clock.

Halton beat Nepean 7-0 in their next contest. The first two periods were a cakewalk for Halton as netminder Heinz barely had to make any stops. In the third period, Nepean peppered him with shots in a complete turn of events.

The 'Canes managed four power play markers with Sandifer, Wilson, Bertoli and Boucher notching the goals. Ian Macintosh netted the game winner with Sandifer and Bertoli scoring their second each. Bertoli picked up the game MVP honours.

The next day the Hurricanes travelled back to Oshawa for an early game against the Chicago Young Americans.

In an aggressive match, the locals went down 4-2. Hockey smarts, rather than ability took this contest as Chicago capitalized on an excellent ability to read the play, intercept passes and force errors. All four Chicago goals came on Halton errors or split-second decisions.

Down 3-0 early in the third the Halton power play came to life. A quick pass from Loader to the point and a blast from Kuhn's stick and Bertoli's tip started a comeback at 5:26.

With a two-man advantage due to some illegal stickwork Halton narrowed the gap to 3-2 at the 14:00 mark as Sanderson popped one in from Loader and Haydar. But less than two minutes later a short-handed goal by Chicago sealed Halton's fate.

In their league contest the Hurricanes defeated Brampton 6-5. Bertoli, Loader, Sandifer and Trevor Kuhn each notched a marker before the end of the second period. Bobby Wilson the point slammed home Halton's final goal to win the game at 8:04 of the third frame.

### Minor Peewee AAA

The double blue Hurricanes extended their undefeated streak to six games this week with 9-3 and 7-2 wins over Brampton Maroons and an 11th-hour draw with Chinguacousy.

Although their match with Brampton at Memorial Arena ended in a lopsided score, the game was a toss-up going into the last period with Halton holding a slim 3-2 lead.

Early in the third the Maroons tied the score 3-3, jolting the Hurricanes into high gear and resulting in six unanswered goals for Halton and writer's cramp for the timokeepers. The turning point in the game came after a crushing open ice hit by Jonathon Atley, followed up by bone-jarring checks from Tom Baynton and Curtis Carr.

Halton opened the scoring at 5:26 of the first on a 20-footer by Doug Janjevich, set up by Justin Davis. Brampton tied the game 1-1 at 4:33 with a hard shot in off the post and at 1:38 scored on a powerplay to take a 2-1 lead. This score held up until 2:54 of the second, when Atley took a pass from Janjevich and fired a slap shot from the point to beat the Brampton goaltender on the short side and tie the game at 2-2.

With 26 seconds left in the period Jamie Walker, situated behind the net, passed to Darin Finlayson in
