Minor novices have busy schedule

from REP HOCKEY on page 13
Orangeville defence to give up the puck. Joey Mulligan, with a good second effort, poked the loose puck into a wide open net.

Although Justin Lanigan in the Milton net was not tested with a lot of shots he did make some key saves to hold off the Orangeville attackers. At the five minute mark of the second period Milton took an interference penalty which afforded Orangeville a chance to get back in the game.

Good penalty killing by Neal, Latuzon, Kyle Smith and Bobby Hicks on defence negated the Orangeville attack.

The third period started with Milton taking, then killing a two minute penalty. Mike Copeland managed a shorthanded goal with an assist to Neal.

Milton took control of the game and hard work by Merritt and Eric Craig resulted in Carroll notching his second goal of the game to go ahead 5-1. Orangeville scored at the eight minute mark of the third but Milton quickly responded with Paul Faggion carrying the puck into the Orangeville end, eluding two checkers and setting up Copeland for his

second marker.

Depalsmaeker set up the last two Milton goals with perfect passes to Chad Merritt for his second goal and fourth point of the game and a beautiful set up pass to Copeland who completed his hat trick.

Minor novice AA

The Select One Group completed a busy holiday schedule. The team finished the December portion of their busy schedule with two exciting games in Burlington and Bramalea. Milton tied Burlington 5-5 before beating Chinguacousy 1-0.

They got off to a slow start in the first contest spotting Burlington a 2-0 lead before Les Bair finished a nice passing play with Zach Cosby and John Gleed to narrow the lead.

Milton was outscored 1-0 in the second. The third period was fast paced with both teams having scoring chances. Zach Cosby on great extra effort poked in Darryl Knowles' goal mouth pass narrowing the gap, only to have Burlington score again to take a two goal lead.

Thomas Houlihan then went to work scoring the first of his three goals with assists going to Evan Jeans and Mark Roselle. Houlihan

then tied up the game with less than a minute to play tipping in a blast from the point off the stick of Gleed.

This game was far from over when Burlington then potted what looked like the winner with 39 seconds left. Not to be discouraged the Milton team put six skaters on the ice and with only seconds remaining Houlihan ripped his third of the period past Burlington's goalie to tie the score.

On to Bramalea where the Selects were short several players but managed a 1-0 shutout of Chinguacousy. Billy Gleed gained his second shutout of the year with some brilliant goaltending, stopping several point blank drives in the game.

The only goal was scored midway through the second frame. Craig Ellison skated out of his own zone passing off to Mark Kerwin. Crossing centre Kerwin passed to left winger Chris Dumencu who missed two checks at the blue line and then fired a shot from the top of the face off circle which eluded the Chinguacousy goalie.

At the Streetsville minor novice tournament the Select One's faced some of the best teams at this age level in the province. Losing two games to London and Ajax, the Milton squad took on the Toronto East Enders.

Although outplayed and outshot the star of the game was Billy Gleed the Milton netminder who stymied opposing forwards time and time again. Although Gleed was brilliant, the Milton team could not put a puck in the East Enders net and finally lost the contest.

The fourth game of the tournament for Milton saw them come out flying against Erindale, scoring two goal from Bair in the first five minutes on their way to a 4-2 win. John Gleed on an end-to-end rush reminiscent of Bobby Orr scored the eventual winner with less than two minutes to play in the second frame.

Darryl Knowles iced the victory with a drive clearly beating the goalie. Knowles also picked up two assists and Rick Nadalin one assist for the locals.
