## Message from the Village Constable

Constable Craig Bowen is our new Village Constable. Welcome to the position! Constable Bowen is a 17 year veteran of the Halton Region Police force and he wants to make the Downtown his home for the next few years. He already sees some problem areas that he wants to clean up with the help of the community.

Robbery Prevention seminars, speaking engagements at local schools plus solving the Loitering problem outside area businesses should keep the new Village Constable busy for the next several months.

Please make Constable Bowen feel a part of the Downtown family by saying hello when he drops in for a visit!

## FEBRUARY 1992 COMPLETION

The Clements family have been owners of the west corner of Main & Martin Streets for three generations, hence the business name Gen Three.

February, 1992, will see the completion of the two-storey addition to Town Square which has been under construction since September, 1991.

The main retail tenant will be Bergsma's Paint & Wallpaper. Space is still available on the second floor.

The new portion will house an elevator making the second floor businesses wheelchair accessible for the first time.

Spring will see extensive landscaping done to create an interlocking brick walkway from Martin

Street through the rear courtyard to Montgomery Lane and along to Main Street.

Gen Three has attempted to complement the existing building by having the same storefront facade and matching the upper cornice on both structures.

The scaffolding has been removed since this photo was taken.
