### Village Constable

I have now finished my first month as your Village Constable. I have found the business people and citizens to be as friendly and accommodating as I had expected. I have been around to almost all of the businesses to meet everyone and continue to search out those of you that I have not yet met.

Many of you have approached me with ideas and suggestions and where ever possible I will make use of your suggestions. I have resource information on many topics available to me to give to you if you want it. For shop owners, I will gladly come around to conduct security surveys. Please call me at 878-2401. If I'm not there a message machine will take your call and I'll get back to you as soon as I can. If you need an officer for a speaking engagement, forward your request to Sgt Cary Smith of the Public Relations Bureau of the Halton Regional Police Service.

Lets all work together to make Milton the best that it can be.

## Congratulations to Mike's Barbershop from Everyone Downtown.

It is with great pleasure to be recognized as a business of the week here in Milton.

The motto of the shop I believe is to treat the parents and the children who come here as we ourselves would like to be treated when we go and do business somewhere in town.

This attitude I think is the basis of the thinking of the downtown merchants, that is why they come up with their ideas of moonlight madness, kids day and the farmers market.

These ideas are thought to be family orientated and that is what the whole spirit of the downtown is about; mainly a family place to shop, meet friends and meet the most friendly merchants in the area.

This is the best right here, I would like to thank my staff; Kelly,

Susan, Lisa and my former staff members Janet and Joan for being a big part of Mike's Barber & Styling Shop.

You and the customers make coming to work here on the Main St. very worthwhile.

Thank You  
Mike & Family
