Stock series announced

Area race fans will have the opportunity to watch two stock car racing series this summer.
 Player's Limited has reached agreement with the American Speed Association (ASA) to sponsor a five race series. Races will take place at Mosport Park in Bowmanville and Cayuga Speedway in Nelles Corners as well as Race City Speedway in Calgary, Alberta.
 The Indiana based ASA is embarking on its 25th year of operation.
 In addition Molson will sponsor a 10 race, short track series for

stock cars in 1992.
 The series will run at more localized venues. Flamboro Speedway, Sauble Speedway and Sunset Speedway in Stroud will host the races which will act as a development series for drivers. Two categories for both experienced and entry level drivers will ensure high quality, and developmental opportunities.
 To ensure competition the high points driver will start at the back of the starting grid instead of on the pole position as is usual.
