

## O'Toole's hosting ski challenge

Milton O'Toole's Restaurant is hosting a ski challenge at Glen Eden on Monday, March 9 with an eye to having fun on the slopes and raising some money for Milton District Hospital. Companies are invited to bring

staff and customers for a day of skiing and socializing. Interested parties can take part in a race which is featured, and is suitable for every level of skier. In the morning each skier runs the race course.

In the afternoon they race it again after predicting their finishing time. The winner is the skier closest to predicting his/her own finishing time.

For more information call O'Toole's Restaurant at 875-3701.

I'm not an ordinary real estate agent, I'm a RE/MAX Top Producer. That means I work extra hard to meet every client's individual wants and needs. And my clients like that.

Why do I work for RE/MAX? Top Producers come to RE/MAX because RE/MAX rewards only those who get results. And that's good for you, and me. After all, when you're buying or selling your house, results are what we want.

So if you're thinking of moving why not give me a call and allow me the opportunity to show you what I can do for you!

## Merchants on top

from MERCHANTS on pg.13 on the team and to get to know their teammates' abilities.

Milton still has two games on the schedule in which to improve upon their single season record for points. They broke last year's record of 57 with the win over Ajax and now sport 61.

Since said the team isn't going to do anything special in their last two contests. He says they need to keep playing the way they have been, and so, he's reluctant to make any changes.

He has, however, broadened his team's capabilities by practising several breakouts, and styles of play to counter the strategies of other teams. Last year the Merchants lived or died on their own style of play.

Given the nature of junior

hockey simply winning your division is the most difficult thing to do.

Your opponents know you almost better than you know yourself. In subsequent rounds both teams go on scouting reports and reputation to formulate strategy.

Merchant Notes: Milton resident Sonny Cardillo suited up for the Merchants in their game against Ajax. He was the subject of an appeal by Burlington in a previous loss to Oakville, because he played for Oakville while still the property of Milton minor hockey. Burlington won the appeal and the two points in the standings... The final home game of the season in against Streetsville at 8 p.m. at Memorial Arena on Friday.
