37 In Memoriams

BAVERSTOCK, JEAN - In loving memory of our wife and mother and grandmother Jean, February 15, 1987.

There is a corner in our hearts

We keep it just for you

As long as life and memory last

We will always remember and love you.

Love Norman
and all the family

Every day seems to slow down,

Leaving many hours of missing you.

Maybe you could tell me if everything is alright,

Even when they were not, you made everything

feel alright

Remembered, loved, missed and needed.

Miss you Dad, Love Richard

IN LOVING MEMORY Of dad, Louis Broussard, who joined mom on February 15th, 1989.

Three years have passed since you've been gone,

But our memories of you remain ever strong

We remember your laugh and comical ways,

Life without you, Dad is lonely these days,

We remember how you cared, how you fretted

and fussed;

And in our hearts we knew it was because you

loved us.

Through many good times, some ups and downs

too,

You shared them with us, as good fathers do.

So on this anniversary we must try to be glad,

That our lives were enriched having you as a

Dad.

Ever loved by daughter **Mary Ann** and son-in-

law **Clarence DeYoung**.

IN MEMORY OF Our Grandpere, Louis Broussard, who passed away February 15, 1989.

We asked God to heal you,

But He called you home,

Leaving us lost and feeling alone.

Grandpere, we know you are safe now,

And free from all pain,

So rest in peace with Grandmere

Until we see you both again.

Loved and remembered by grandchildren

Clarissa and Roy DeYoung

PRICHARD, Chelsey - In loving memory of **Chelsey**, who passed away February 16, 1991.

We had our little angel

For only one day.

Sadly missed

THE CORPORATION OF THE
TOWN OF MILTON

PUBLIC INFORMATION CENTRE MILLSIDE DRIVE RECONSTRUCTION FROM MARTIN STREET TO MAIN STREET

The Town of Milton is planning to reconstruct Millside Drive to a 3 lane urban roadway from Martin Street to Main Street. The works will include pavement widening to provide for a continuous left turn lane, provisions for future traffic signals and possible widening of the Milton Channel structure.

The above project is being planned as a Schedule B undertaking in accordance with the requirements of the Class Environmental Assessment for Municipal Projects. Subject to comments received as a result of this notice, and the receipt of other necessary approvals, the Town of Milton intends to proceed with the design and construction of this project.

A Public Information Centre will be held at the time and place indicated below. Background information has been assembled and preliminary plans have been prepared. These plans may be seen at the Information Centre where the Town's staff and consultant will be on hand to explain the proposed works, answer questions and receive comments.

DATE: Wednesday, February 19, 1992

TIME: 4:00 p.m. to 8:00 p.m.

LOCATION: Milton Towers

81 Millside Drive

Milton, Ontario (Meet in Lobby)

If you have any questions or are unable to attend and wish to provide comments, please contact the Town Engineer.

Mr. J. D. Matthews, P. Eng.

Director of Public Works

Town of Milton

Telephone: 878-7211

Comments must be made in writing and must be received by this office by 4:30 p.m. on or before March 19, 1992.

If concerns regarding this project cannot be resolved in discussion with the Municipality, a person may request that the Minister of the Environment "bump-up" the project to an individual environmental assessment. "Bump-up" requests must be received by the Ministers at the address below within 30 calendar days of the Public Information Centre. If there is no "bump-up" request received by the Minister, the Millside Drive widening will proceed to construction.
