

Now there's a better way to sell your home.

With all this.

Plus this.

With our exclusive HomeMatch™ system, your Royal LePage Sales Representative has more than the usual resources to sell your home.

HomeMatch matches interested buyers to your property.

As soon as you list with us, your property features are put into our HomeMatch computer system and matching begins immediately.

HomeMatch relentlessly searches for buyers who are looking for a home with features just like yours. Every day. And it doesn't stop until a sale is made!

HomeMatch is much more than a computer system.

With HomeMatch, you'll get other unique services such as our Instant Messaging System, a customized Marketing Action Plan

and our Personal Service Guarantee, signed by your Sales Representative and backed by Royal LePage.

Financing can make your home stand out in the market.

We can show you financing options to make your home more attractive to buyers. And we'll clear the way for more unconditional offers by pre-approving both

your home and prospective buyers for a Royal LePage-Mortgage.

HomeMatch. Another advantage only from Royal LePage. Why would you list your home with anyone else?
