

THE LOWEST PRICES JUST GOT LOWER!

WE'RE ALREADY PASSING ON THE DUTY-REMOVED PRICES ON OVER 250 ITEMS!

The import-duty removal recently announced by the Federal government means that some retailers will be able to pass on lower costs in a few months, when they buy new inventory. **BUT CONSUMERS DISTRIBUTING IS PASSING ON THE DUTY SAVINGS IMMEDIATELY ON OVER 250 ITEMS.**

Our new Spring & Summer catalogue is just being distributed. With it, we are including a list of every item, on every page, that will be reduced when you buy it at Consumers.

BECAUSE IT'S OUR DUTY TO MAKE SURE YOU ALWAYS GET THE LOWEST PRICES - GUARANTEED.
