## Water babies

With the opening of the long-awaited Milton Leisure Centre earlier this month came a number of opportunities for water babies of all ages. Programs for parents and tots as well as free swim times for parents and pre-schoolers are among the offerings. Emma Leeder, 11-months-old and her mom Sue are immersed in the Monday morning water baby course. The centre features a free-form leisure pool, a pool for tots and a lap pool.

## Milton's got the advantage

There appears to be no end in sight for the Milton Advantage Business of the Week program.

Since its inception last May, more than 30 local businesses have received the weekly award from the Milton Chamber of Commerce based on nominations from satisfied customers. A telephone call to the Chamber is all that is required to nominate a business and calls keep pouring in.

Award recipients display the Business of the Week banner, are given a framed certificate and are recognized in *The Champion*. The following is a list of the winners to date:
