It's Yours To Discover This Spring

The Department of Leisure Services and Leisure Centre Staff are committed to serving the aquatic needs of the community. The Centre is a "people place", where swimmers of all ages can recreational swim, learn to swim, take an aquatic fitness class, compete, take a specialized program or just relax in the whirlpool or sauna. The facility is accessible with free parking.

Come and visit the Centre, our goal is to ensure your visit is SAFE, FUN, EXCITING AND ENJOYABLE

Your Comments And Suggestions Have Been Appreciated And Are Always Welcome!!

The Department thanks all of you who have offered comments and suggestions since our opening in January. We have tried to incorporate where ever possible the new changes. Throughout the Aquatic Section look for the **NEW** which outlines the new & improved aquatic programs.

As we continue with our programs, we will be continuing to respond to community needs and direction as best we can. The Centre is intended to provide an aquatic environment for all ages serving a variety of needs, recreational swims, instruction programs, specialized programs & rentals. We rely on your feedback, please call us with your comments and suggestions 878-7211 or 878-SWIM (7946) or feel free to complete one of our "TELL US, PLEASE" forms at the Centre.
