**PRODUCTION MANAGER**

Procor Limited, a leader in rail car leasing and services in Canada, has an immediate opening for an experienced Production Manager at its major EDMONTON repair facility.

The plant employs approximately 100 unionized tradesmen who perform cleaning, welding, plate fitting, painting and general repair operations on tank and freight rail cars.

The successful applicant will have good managerial skills to direct the workforce through departmental supervisors on three shifts. Experience in heavy fabrication and welding is required. Recent training in safety and loss control and a knowledge of applicable legislation are desirable. Since Procor is engaged in a continuous quality improvement process, the incumbent must be prepared to work within a team environment. Strong technical qualifications and good communication skills are essential.

Qualified applicants are invited to apply in writing outlining education, experience and salary history to:

**PROCOR LIMITED**  
2001 Speers Road  
Oakville, Ontario.

**166 Careers**

**THE CORPORATION OF THE TOWN OF MILTON**

**Requires A**  
**MANAGER OF RECREATION SERVICES**

Milton, a progressive municipality of 35,000 in the Greater Toronto Area, with an excellent potential for future growth, is seeking an energetic and motivated individual to join its Leisure Services Department team.

Reporting to the Director of Leisure Services, the successful candidate will manage facility staff to ensure the efficient operation and maintenance of several facilities including arenas and community halls; and program staff to ensure the effective management of community based program and special event opportunities.

Responsibilities will include interacting with the public on areas of interest or concern and working in a team environment in the development of research, policy and long term planning and co-ordination in the Leisure Services Department.

The preferred applicant will have a diploma or degree in Recreation, Facility Management, Recreation Leadership or a related field, and be in possession of or be eligible for certification through the Parks and Recreation Federation of Ontario; combined with several years experience in a municipal recreation environment. Practical knowledge regarding the operation and maintenance of arenas and community centres is essential, as well as a breadth of knowledge in community program development and event planning.

Equally important are excellent verbal and written communication skills and a strong track record working in a team environment.

The salary range for this position is \$36,824 - \$46,030. (1992), with an excellent benefit package.

**THE CORPORATION OF THE TOWN OF MILTON**

**Requires A**  
**MANAGER OF PARKS SERVICES**

Milton, a progressive municipality of 35,000 in the Greater Toronto Area, with an excellent potential for future growth, is seeking an energetic and motivated individual to join its Leisure Services Department team.

Reporting to the Director of Leisure Services, the successful candidate will manage parks staff to ensure the efficient operation of all Municipally owned and operated parks. This will include the planning, design, construction, operation and maintenance of parks, open space, cemeteries, school sites and several other Municipal properties.

Responsibilities will include interacting with the public on areas of interest or concern and working in a team environment in the development of research, policy and long term planning and co-ordination in the Leisure Services Department.

The preferred applicant will have a diploma or degree in Parks Management, Horticulture, Landscape Architecture or related field, and be in possession of or be eligible for certification through the Parks and Recreation Federation of Ontario; combined with several years experience in a municipal recreation environment. Practical knowledge regarding playing field maintenance, parks design and development and environmental issues essential.

Equally important are excellent verbal and written communication skills and a strong track record working in a team environment.

The salary range for this position is \$36,824 - \$46,030. (1992), with an excellent benefit package. Please submit your resume, in confidence, by April 6, 1992, 4:30 p.m. to:
