MESSAGE FROM THE VILLAGE CONSTABLE

CRAIG BOWEN

As you may be aware, I have been writing about the new Community Consultation Committee recently. We have just completed our second meeting and we are progressing well.

I would like to take this opportunity to clear up a possible misunderstanding about the responsibilities of the committee and any conflict with neighbourhood watch.

Neighbourhood Watch is responsible for concerns relating to an identified neighbourhood in Milton. Any of their concerns can be passed on to our Committee for consideration.

The Consultation Committee is responsible for all of urban Milton. the committee does not remove or replace any existing or future Neighbourhood Watch group.

The committee is presently examining several speeding and parking concerns and continuing to get to know one another. Watch for a future article explaining the Committee and profiling its members.

If you have any concerns or questions don't hesitate to committee by calling my office at 878-2401 or Sgt. Gheller at 878-5511 extension 2411.
