

Sleep easier with a SPLIT LEVEL MORTGAGE

Sleep easier whether rates go up... or down.

In addition to regular fixed term and open mortgages, Canada Trust also offers the Split Level Mortgage. It combines the flexibility of an open mortgage with the rate security of a longer term mortgage... all in one mortgage.

Split Level helps take the anxiety out of predicting whether rates will go up... or down. Split Level is only available at Canada Trust.

For a limited time, you can get up to 1% off regular Split Level rates for the first six months when you bring more of your business to Canada Trust.

Call 1-800-668-8888 or drop in.
