Volunteers make a difference

Bob and Doreen Beattie, both volunteers with Milton's Salvation Army, have helped out with food and toy drives for the past four years. They were also among hundreds of people recognized at a special reception in honour of the town's volunteers Sunday at Halton Centennial Manor. Here, the couple enjoys a cup of tea while viewing art work created by Holy Rosary School students.

Parents...

...we are standing at the threshold of the 21st century!

What can we do to assure that our children are able to meet the challenges that await them?

1. We can 'educate' them, instead of informing them!
2. We can recognize and encourage 'all their inherent abilities - creative, social and intellectual!
3. We can give them the living example of 'socially-responsible' adults!

WALDORF SCHOOLS PROVIDE THIS ENVIRONMENT!
