Some changes as MFFL kicks off a new season

It's that time of the year again, time when we dust off the ole cleats and break out the flags. Yep, it's the Milton Flag Football League starting another season.

There are numerous changes to the league, most of which will be noticed early, such as the addition of Don Cherry's Grapevine as a new sponsor. The people at the Grapevine should be happy to hear that they are being represented by the 1991 MFFL champions.

There were also changes to the board of directors. Hector Campbell is now the past-president, and John 'Knee Brace' Comber is president. Kashmir Singh is treasurer, Marc Lafleur is head of the social committee, Scott MacCallum is in charge of referees and I'm the designated scribe.

As well, the more observant MFFL follower will notice that Fat Freddy's has a large contingent of the 1991 Re/max players. The two teams merged to form this year's entry. Re/max will be represented by players on the 1991 Bruce Hood Travel squad and in turn, Bruce Hood will be represented by a team from Oakville. This should give Mr. Hood reason to smile, since last year's team managed only a modest single win.

As we head for the opening games, there is still a nagging question to be answered: How do we define 'guarding' to everyone's satisfaction?

FLAG FOOTBALL

with PATRICK HOULE

Here's a little rundown of the 1992 MFFL season:

Don Cherry's Grapevine

Keys: Led by proven quarterback Scott MacCallum, and solid receiving corps led by Dom Lepre. Defence is also solid with Chris Black patrolling the secondary. The Grapevine is the defending champions.

Predicted 1992 Finish: 11-6 (first place)

The Dickens

Keys: Experienced quarterback in Rick Goodings. Fast receivers with Kirk Honey leading the way, and 1991 interception leader Hector Campbell back on defence.

Predicted 1992 Finish: 9-8 (third place)

Halton Pool and Patio

Keys: Rob Scott at quarterback and an excellent receiving tandem of Jeff Corey (1991 scoring champion) and Barry Monaghan. Big question marks concerning Scott's knees and the loss of back-up quarterback Jim Simpson.

Predicted 1992 Finish: 7-10 (fourth place)
