Wednesday is Seniors' Day!

Think about the world today

Thoughts of peace and compassion for victims of war are being encouraged by the local Branch of the Canadian Red Cross Society today which has been designated World Red Cross Day.

The Milton branch co-ordinates local appeals for disaster relief along with a tracing and reunion service for victims of disasters.

The many services of the Red Cross in Milton are detailed in a new brochure being distributed in

today's *Champion*. The organization co-ordinates the Homemaker program which provides personal care and light housekeeping to the elderly, sick and disabled.

The Milton Branch offers a health care equipment loan service and runs four public blood donor clinics each year, water safety programs and babysitter courses.

There is a need for more volunteer drivers and board members. Call 875-1459 for information.
