

## Golf tournament at Greystone to benefit programs for youth

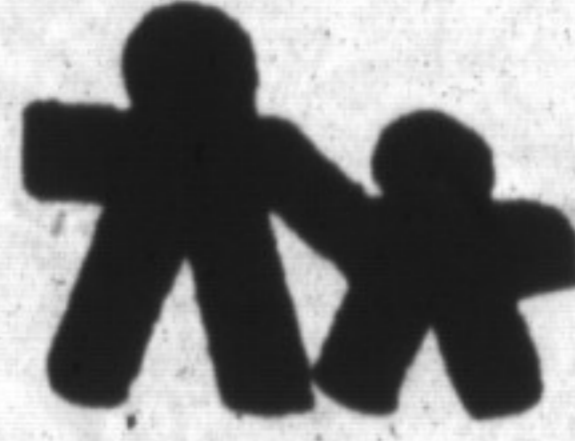

Golfers in a charity tournament May 28 will have a chance to play at Greystone Golf Club and help abused and neglected children in Halton Region.

The Children's and Youth Foundation of Halton is hosting its first annual tournament at the private club, nestled into the Niagara Escarpment just north of Milton.

The Foundation supports programs to help abused children have a better future, including special summer camps, a bursary program and an independent living program.

The cost for "Great Golf at Greystone" is \$250 per participant. Golfers will take part in a golf clinic at 10:30 a.m. given by head pro Fraser McIntyre, followed by a light lunch and 18 holes of golf. The newly opened Greystone clubhouse will be the site of the cocktail party and presentation of awards and prizes that will wind up the day.

Potential participants are asked to contact Harriet Corlett, 845-8822 or Walt Elliot, 844-8211 or 878-2375.
