

Selects end season with bronze medal at Winnipeg

Peel volleyball squad puts on quite a show in national championships

Winnipeg's University of Manitoba gyms were crammed full of exciting national level volleyball recently as juvenile teams from across the country played for the 1992 Canadian Championship. The Peel Selects, who sport some local talent, finished third. Representing Ontario in the women's division, the Peel Selects maroon team put on quite a show. The team was slotted into Pool A after the first seeded Alberta EVC Blues and third seeded British Columbia. Pool play saw Peel defeat British Columbia two straight to open the tournament, followed by a resounding defeat at the hands of

Quebec's Elan team, the eventual silver medal winners. Peel was able to put that match behind them as they next faced Manitoba's second entry, Northern Lights, and took the match in two games. Peel then upset the first seed Alberta by winning two of three games in the match. The last of pool play saw the Selects execute a strong offence to put away Nova Scotia's Dartmouth Lakers in two games straight. Although this created the potential for a three way tie between Alberta, Quebec and Ontario, Alberta was upset in their last pool game with British Columbia and dropped to fourth place. The

Selects took second behind Quebec. The quarterfinal cross over to Pool B had the Peel Selects facing New Brunswick's Monicook/Elite team. The Selects formulated a strong attack and took two games quickly. This provided the berth to the semi-finals, a meeting with arch-rival Quebec. The three-of-five match took over two and a half hours with neither team relinquishing a lead for long. The rallies seemed endless with no change in the score. The fifth game was played under the rally point system, where there is a point given on each serve and Quebec managed to maintain momentum

enough to win 15-12. The bronze medal match proved to be just as exciting as the Peel Selects met the University of Manitoba Bisons juveniles. This was also a long hard match which the Peel Selects pulled out 15-10, 10-15, 10-15, 15-12 and 15-11 in the rally point final game. Milton's Marsha Van Cedar will advance to the Peel Selects junior team next year as will Bishop Reding student Tracy Fowler, a Georgetown resident. Holly Sones, a standout for Georgetown high school as well as the Selects will attend the University of Arizona beginning in August.

Mustangs and Royals tie 8-8

The key match-up in the race for the final playoff spot in the Volpe Division of the Halton High School Baseball League decided nothing last Thursday.

The Milton District Mustangs battled the Bishop Reding Royals to an 8-8 draw. The tie puts the Mustangs' record at 1-2-1 while the Royals go to 2-1-3. The regular season is only eight games long.

Milton District had early defensive problems giving up an unearned run in the first, another in the third and five unearned runs in the fourth frame. After four innings, the Royals held a comfortable 8-2 edge.

To their credit, the Mustangs didn't quit. They loaded the bases in the top of the fifth and scored a pair when Ryan Peddie and Dave Stevenson drew walks. In the sixth frame a pair of walks and a single filled the bases for Dave McDuffe who drilled a one-out grand slam over the right-centre field fence to tie the game.

Bishop Reding has only two games remaining but they must play the two top teams in the division, E.C. Drury and Georgetown. Milton District has four games left, but they have played the two front runners.

Gunners open with 5-0 win

The Milton Gunners Soccer Club opened the 1992 outdoor Inter-County League season with a game Wednesday night when they hosted Ajax and scored a decisive 5-0 win.

Milton got two goals from Terry Ewan and Sean Hasselfeldt while Neil Magee chipped in a single.

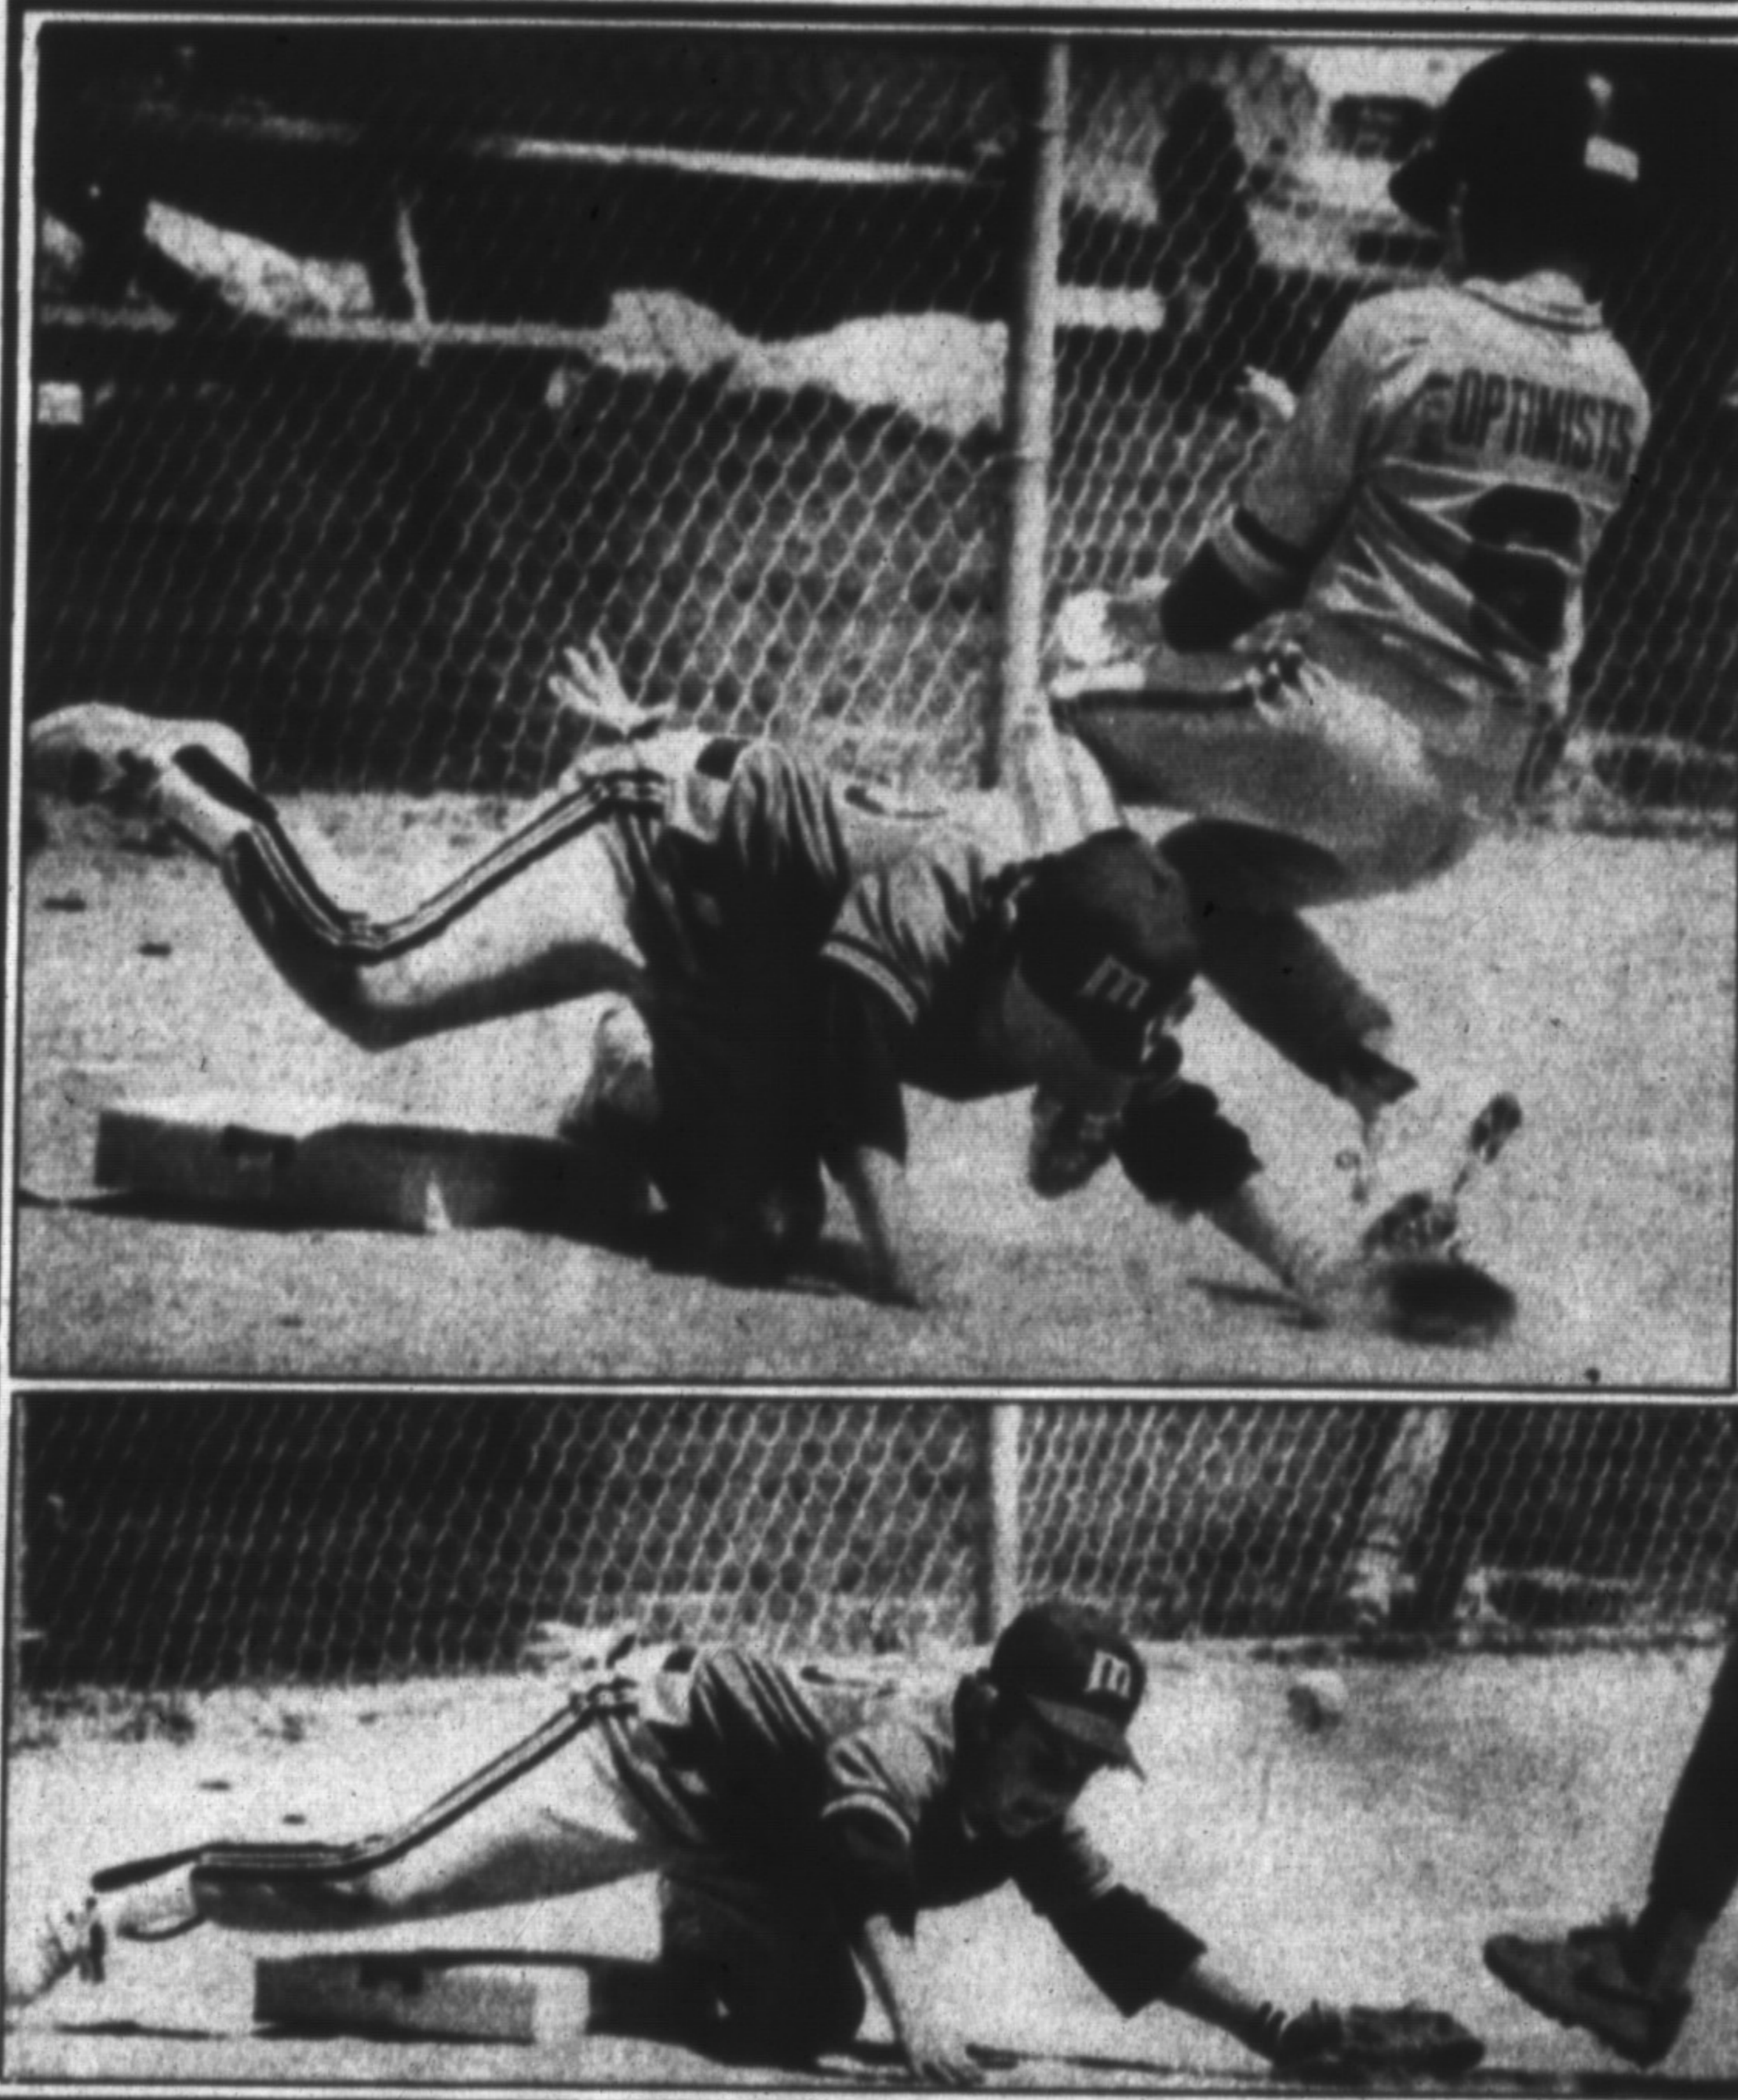

The club is made up primarily of Milton residents and is entered in three leagues: Toronto and District, Lakeshore and Inter-County.

The next game for the team is tonight (Wednesday) in Georgetown.

Red Sox win pair

The Milton HJM Red Sox senior baseball team picked up a pair of wins in recent action crushing Streetsville 12-5 and nosing past St. Catharines 4-3.

The wins coupled with the team's opening day loss to Dundas 6-3, puts their record at 2-1. Full details of the Central Ontario Baseball Association senior squad will be in Friday's *Canadian Champion*.

Safe?

Milton's third baseman Justin Mastrangelo gets hit in the chest with a wild throw as the Georgetown baserunner Scott Allison approaches the base. To add insult to injury for Mastrangelo, Allison collides with him (above). The Georgetown player was safe though neither was entirely sound, as the game was stopped for a few moments to check that they were alright.

At St. Peter's School Register for new Super Sports Camp

A sports and games summer camp. The Milton Super Camp, will operate in town for two weeks in July at St. Peter's School in Milton.

The camp is for both boys and girls from senior kindergarten age through to Grade 8. Sports activities such as soccer, baseball, basketball and indoor ball hockey as well as games like Capture the Flag are the main activities. Days will be topped off with a swim at Rotary Park.

Campers are supervised by qualified counsellors with the basic objective of enjoyment and a liberal sprinkling of teaching fundamental skills necessary for each game.

The cost is \$75 for the first child registered, \$65 for the second from the same family and \$55 for a third. The camp runs from July 13-17 and again from July 20-24 from 8:30 a.m. through 4 p.m. each day.

Registration is being held at St. Peter's School on May 28 and on June 4. For more information contact Michelle Duranle at 875-4478.

Pre-competitives in final meet

The Milton Springers Gymnastic Club's pre-competitive team wrapped up their competitive season in Oakville on the weekend. It was the largest meet they had attended with 71 competitors in the morning and 68 more in the afternoon.

In the morning Katherine Russell competed in the 7B category and Jessica DeShaw competed in the 8B group. Russell managed top 10 placings on bars, beam and floor exercise. DeShaw had an excellent meet placing fifth on bars, floor and vault. A disaster on the beam cost her a couple of placings in the overall where she was seventh.

In the afternoon the senior pre-competitives had their turn. Shannon Gwillam competed in the difficult 7-8A category. She had a personal best day and was pleased with all her routines finishing fourth on beam,

SPRINGERS' NOTES

ninth on bars, 10th on vault and floor for a ninth overall standing.

In the 11-12 category Fiona Silcock finished eighth overall including placing third on floor and seventh on vault and beam. A fall on the bars cost her a higher finish.

Sarah Green placed seventh overall with a second on bars, a sixth on vault and a seventh on floor.

The final meet of the year is for the club's 'Tinies' a first year category for six and seven year olds. The objective is to expose the girls to competition etiquette and observe their performance abilities, actual skills performed are of less importance.
