**MOORE, Terry** - In loving memory of a dear grandson and nephew Terry Ernest Moore, who left us suddenly May 30, 1987. Peaceful be thy rest dear Terry. It is sweet to breathe thy name, As in life we loved you dearly, So in death we do the same. Sadly missed,  
*Nanny Moore and Aunt Beth.*

**MOORE, Terry** - In loving memory of a dear son who left me suddenly on May 30, 1987. The face I loved is now laid low, His loving voice is still. The hand so often clasped in mine Lies now in death's cold chill. I often sit and think of him When I am all alone; For memory is the only thing That grief can call its own.  
*Lovingly remembered Mom*

**MOORE, Terry** - In loving memory of a dear brother & uncle who left us suddenly on May 30, 1987. No morning dawns, no night returns, But that we think of you, Those left behind are very good, But none replaces you. Many a silent tear is shed When we are all alone; The one we loved so very much, The one we call our own.  
*Sadly missed by Shelly, Cheryl & family*

**STONHILL, DAVID** - In loving memory of a dear brother who was tragically taken away from us May 29, 1987.

A page in my book of memories is gently turned today. Memories of my dear brother are cherished in a special way Without you in our lives Things just aren't the same In my heart, dear David You always will remain In my book of memories There just is no end For the last chapter cannot be written, Till I meet up with you again.  
*Sadly missed by Laurie, Mike, Tyler and Josh*

**STONHILL, DAVID** - In loving memory of my dad who passed away May 29, 1987. Although your not here To watch me grow and play I know you watch over me Each and every day I know you'd be proud If you were here To see how I've grown In these past few years Each day that goes by I'm a bit more like you There will always be something In everything I do I will grow up strong With you in my heart You will always be with me Even though we're apart.  
*Love Devin*

**STONHILL, DAVID** - In loving memory to our youngest "Grown Up Son" who passed away, five years ago, today, May 29th, 1987. Loving you is easy, remembering is too. I'd wash your clothes, I'd sew and cook Read through the pages of your picture book. We always loved to share your fun, Yes, we remember, every one. We'd tuck you in all safe at night, Kiss your cheek, turn out the light, Then tiptoe softly through the door, We wished we'd stayed a minute more. For life is short your years rushed past, And little boys grow up so fast, You became a man, you made us proud, We loved you as much, as love allowed. Now you no longer are at our side, No precious secrets to confide, No kiss on the cheek, no hugging you tight, No more can we say to you "goodnight" Your hands once busy, now are still, Our days are hard and long to fill, We wish that we could go back and do, The little things you asked us to. It all belongs to yesteryear
