**MESSAGE FROM THE VILLAGE CONSTABLE**

Tomorrow (Saturday) marks the beginning of another year with the Downtown Farmer's Market. With this in mind, I would like to point out a few things to the citizens and visitors to Milton.

Beginning Saturday, there is no parking on Main Street between James and Martin on the days of the Market. During the early morning

hours preceding the Market, any vehicles found parked on Main Street in this area will be towed away at the owner's expense. This action is provided for in Town of Milton By-Law #14-92.

As a result I would ask the residents in this area not to leave their cars parked on main Street overnight on Friday nights. Also I would ask these residents to take responsibility for their guests or visitors.

In the past there have been problems with cyclists, skateboarders and roller-skaters during the market, I would remind everyone that Milton By-Law #1984-1 prohibits any bicycle (one, two, or three wheels) from being on any Town sidewalk. Further, this same By-law prohibits any rollerskating, rollerblading or skateboarding on any roadway in the Town.

Please, everyone, observe these restrictions and let's make the Farmer's Market a fun place to be.
