

Spartans play tough at Soccerfest

The Spartan girls senior soccer team competed in the recent Bishop Reding Secondary School Soccerfest '92.

E.C. Drury played their first game against Oakville Trafalgar and coming out on the wrong end of a close, 3-2 score. Trafalgar scored with only two minutes remaining to break the 2-2 tie.

The Spartan squad played well with goaltender Wendy McNutt, the standout player of the game. One Drury shot hit the Trafalgar crossbar. It was perhaps the finest game of the year for the Spartans according to coach Richard Van der Wal. The E.C. Drury goals were scored by Cheryl Wisson and Jen Cheevers.

The second game of the tournament pitted Drury against Cathedral Girls High School (Hamilton), a game the Spartans won 3-1 with markers from Wisson, Cheevers and Danielle Doucette. Jennifer Guzman was the MVP of the contest.

Immediately following this game Drury went up against Queen Elizabeth Park (Oakville). Being overmatched and tired the Spartans went down to a 6-0 defeat and were eliminated from further tournament action.

Prior to the tournament the Spartans had finished out their regular season, losing to Loyola (Oakville) 3-1. The Drury goal came off the foot of Karen Murray.

The score was tied at the half 1-1. Despite excellent performances by goalie McNutt, Murray on defence and Star Stoker on the front line the Spartans were unable to hold the line. The loss dropped the Spartans record to 2-4.

All in all, according to coach Van der Wal, it was a satisfying season for the team. Despite injuries and mistakes the team put forth a good show and has a solid nucleus for next season.

Mosquitoes attack Clarkson

Milton's minor mosquito rep baseball team played their home opener on May 14 losing 8-4 to Bloor despite the efforts of pitcher John Melito.

Colin Murray, Reece Davies and Jordan Jeans all scored early runs. Davis and Melito chalked up RBIs. Jeans, playing third, made a beautiful catch on a fly ball in the third inning. Despite the accomplishments they came out on the wrong side of the score.

Milton then travelled to Clarkson and came back from a 7-3 disadvantage to post a 13-13 tie. Chris Holmes and Jodie St. John brought in runs in the first. Davies was knocked home by MacDonald.

The Milton squad saw much action

in the field as Clarkson scored seven times to take a big lead. Milton was quiet until the fifth when Colin Murray started off the attack with a double to centre. MacDonald scored on an RBI by Steven Wageman followed by Jordan Jeans powerful double to right field and an RBI as Matthew DeRee scored as well.

When the dust cleared at the end of the sixth Milton was trailing 11-6. In the seventh the sparks flew as Wageman's RBI, Jeans' double and RBI, Melito's two RBIs and another pair of runs gave them the lead 13-11.

Clarkson managed to tie the game in an action packed final frame. Melito and Wageman pitched the game for Milton.

Springers wrap up

The Milton Springers gymnastics club wrapped up the competitive season recently with the annual Tinies competition.

There are six girls in the program this year, Ashley Heipel, Kara Finn, Jennifer Landsborough, Katie O'Reilly, Rebecca Digriolamo and Alicia Robinson. They competed amongst themselves but not for marks. Coach Vicky Landsborough and head coach Janet Campbell identified key elements to be assessed and rewarded in each routine.

As well, it gave these six and seven year olds a chance to experience a competitive setting.

The present isn't bad either. The club attended the Central Region Annual General Meeting last week and came second in the Club-of-the-Year Award. The Region awards points for club contributions to the local and gymnastics communities. Milton won the award in 1989-90 but lost this year to Burlington which has almost 10 times the number of members.
