Everyone a winner at golf tourney

It was a game where everybody won.

The golfers enjoyed 18 holes at the picturesque Greystone Golf Club, and many underprivileged kids will now benefit from the proceeds.

The Children's and Youth Foundation of Halton recently hosted its first annual golf tournament. The event raised \$5,000 for neglected and abused children.

Awards were presented to the best golfers. A set of Toski clubs was among a table full of draw prizes.

The Foundation's president, Betty Ann Miller, said she was pleased with the enthusiasm of the participants, and admired the beauty of the Greystone facilities.

The tournament began with a light lunch and a golf clinic before the foursomes took to the course to play in Texas scramble format.

"The weather was perfect," said Ms Miller, "and since the course was created along the side of the Niagara Escarpment, golfers could see as far as Toronto, Hamilton, and Lake Ontario as they approached certain holes."

Winners included:
