

Goliger's foiled in bid for fourth consecutive win

Goliger's Travel went looking for their fourth consecutive win Monday evening against the Key Centres but were turned back 27-11.

The Key cutters jumped out to an early 2-3 lead and coasted until the ninth inning when they poured on another nine runs to salt the victory away. Head Key cutter, Randy Howse had a perfect eight for eight at the plate and scored seven times.

Fellow cutters Mario Ricci, Hector Campbell and Mike Griffin each had six hits and accounted for 13 runs scored. Ace pitcher Bill Brown had three strike outs.

Goliger's Graeme Colvin, Paul O'Meara (double) and Fred Masse (double) all had three hits apiece and accounted for five of the 11 runs scored.

Monday's other action was between Halton Pool and Re/max, a defensive battle all the way. The Poolmen scored first and led until

the bottom of the fourth, when Re/max took the lead by two, 5-3. Only five runs were scored between the fourth and eighth innings, at which time the Poolmen had taken a slim lead, 7-6. The ninth inning saw Re/max strike four times and then shut the door on the Poolmen for a 10-7 win.

Re/max's Bob Thoburn went four for five and scored twice, while Ben Nyholt, Bruce Nicholson and John Burtwistle each supplied three hit nights, Terry Morgan and Chris Heath both went three for three at the plate for the Poolmen, while Jim Crutcher delivered the game's only home run.

Tuesday evening at Omagh is always a

surprise, one never knows what to expect. This scribe arrived just before the first inning came to an end, only to find out the score was already 15-5 for Canadian Pacific over St. Clair.

It was an entertaining match with some exceptional defence, mostly by Canadian Pacific and some not so good defence, mostly by St. Clair. The final score, a Canadian Pacific victory, was 22-10.

The Foresters' Wally Mayes led the charge with a five for six night including a triple, while teammates Bill Flipping, Barry Batanoff, Terry O'Donnell, Mike Mutcheson (homer), Paul Page (triple) and Dave Decaire each slapped out four hits apiece.

St. Clair owner and leader Brian Budworth was a perfect three for three while Dunc Currie was four for four with a home run. Budworth tried to win it by himself, striking out three opposition batters.

Bousfield Auto and the Dickens, both on two-game losing streaks did battle to see which streak would end. Bousfield, without leader and owner Dave (in Europe on a scouting trip) jumped out to an early lead and at the end of six led 10-8. The Dickens mounted a charge in the top of the seventh and scored seven runs to break the game open.

The Auto workers managed a comeback only to lose 15-12. Pub boys Moe Miljour, Dave Dupuis, Larry Meehan, Chris French, Phil Mula, Greg Elkie (two doubles) and Steve Beauchamp poured out three hits apiece. Bousfield's Bob Hay and Dennis Cook supplied most of the offence, as Hay was four for five and Cook a perfect four for four.

Wednesday saw Halton Pool and the Key Centre play their second games of the week. Both teams must have been a little tired as they scored a total of 41 runs. Key Centre led

Bite your tongue!

A member of a field hockey team on tour from Berwickshire Dunn in the south of Scotland does a great impression of Chicago Bulls' basketball star Michael Jordan, who she's probably never heard of, as she bites her tongue during a game at Milton's Bishop Reding on Wednesday afternoon. Reding's Joanna Miller is in the foreground. Berwickshire Dunn won the contest 1-0.

Merchants' Rick Emmett drafted by OHL's Peterborough

Rick Emmett of the Milton Merchants Junior B hockey club was the 103rd player selected in the Ontario Hockey Association draft on the weekend.

Emmett, 16, the fourth player in the seventh round, was selected by the Peterborough Petes. Merchant coach Rick Bince has no doubt in his mind that Emmett will stick with the Petes.

In addition to Emmett's good fortune a number of Merchants from last year's all-Ontario finalists have moved up in the hockey world. Team leader Jeff Daw has accepted a full scholarship to a university in Massachusetts, defenceman Kelly Leroux will play for Canisius College in Buffalo and both Mickey Mitrovic and Todd Blackman have scholarship offers. Captain Shawn Healey will be attending the University of Western Ontario in the fall.

"It's good to see that some of the guys got the things that they were looking for after the season we had," said Bince.

Juveniles ride Dave McDuffe's hot bat to first place

Two wins and a loss in recent play pushed the Milton Canada Brick juvenile rep baseball team's record to 6-3, good enough for first place in the Central Ontario Baseball Association (COBA) league.

Damien Dubien, back from his first year at Duquesne University in Pittsburgh where he's on a baseball scholarship, pitched both wins. The first a 15-4 mercy of Georgetown and the second a 12-1 mercy of Clarkson. Milton's loss was 6-5 to Guelph. The mercy rule requires a 10-run lead after the fifth inning is complete.

Dubien went six frames against Georgetown, giving up one hit while striking out 11. He gave up no earned runs. Todd Mulley, in

his first appearance, since coming back from an eye injury, pitched the seventh and eighth innings.

Dubien had four hits to help his own cause while Dave McDuffe added a pair of hits and three RBIs. Duane Eggleton scored three times.

In Clarkson, Milton managed to score eight times in the seventh frame while Dubien fanned 12 while going the seven-inning distance. He gave up one run but it was unearned. The performance dropped his earned run average to 0.65.

McDuffe had three hits including a double to push his team leading average for regulars to .375. He had three RBIs and two runs scored.

His 19 RBI in the team's nine games leads the way for Milton. In the Clarkson contest Dubien also managed two doubles and a pair of RBIs.

In Guelph the Canada Brick squad got a quality performance out of starting pitcher Craig Holloway who gave up five runs in the fifth while going six complete. Mike McPhail came in as relief and cruised through the seventh and eighth before getting into trouble in the ninth. He allowed a walk, single and another walk before walking in the winning run.

On offence McDuffe hit a three-run homer and had two hits on the day while McPhail had three singles.

In addition to their league games Milton played in the Burlington tournament getting knocked out despite their two wins, one loss record. Milton beat Timmins 6-2 and Thornhill 8-7 but lost to Ottawa 8-2.

McPhail picked up the win against Thornhill going two innings in relief. Phil Greig knocked home the winning run with a sacrifice fly. In the win against Timmins Ted MacDonald started and was relieved by Shayne Ferrier who pitched four frames for the win. Milton scored five runs in the fifth keyed by a McDuffe double.

The juveniles won the right to host the Ontario Baseball Association juvenile championship tournament in September.
