Pro Sport lacrosse reps bounce back to win

After losing their season opener at home to Elora 10-7 the Milton Pro Sport intermediate lacrosse reps travelled to Brantford and bounced back with a 3-2 win over the hometown Warriors.

The Milton Mavericks stayed with Elora in the close contest, fighting back to knot the score at six each by the halfway point in the third and final frame, but the Elora club struck for four goals in the last 10 minutes to put it out of reach for Milton.

The Mavericks were led by two goal performances from Eric Heagle and Chris Heipel with singles going to Sean Boyle, Dave Redding and Trevor Brandt. Goaltender Scott Clevely picked up three assists in the contest.

In their win against Brantford, Milton went into the game rather thin with only eight attackers. The Mavericks jumped into a quick lead in the first period with two goals from Brandt but the Warriors tied the game at 2-2 midway through the second.

Pat Henneberry put Milton back out in front on a set up by Brandt with two minutes remaining in the second frame. Penalties assessed at the end of the second period resulted in each team losing three players for the remainder of the game. The remaining five attackers for Milton

played the entire final 20 minutes without bench relief.

With an impressive defensive effort coupled with outstanding goal-tending from Clevely, the Mavericks were able to keep the Warriors off the scoreboard to come up with a well-earned victory.

Midget

The Milton midget lacrosse team opened the season with exhibition games against three strong opponents, Mississauga, Guelph and

Mimico. Milton lost all three games but gained valuable experience.

Against Mississauga it was tied at 5-5 going into the final period but Milton ran out of gas and were crushed 14-6. Scoring for Milton was Jeff Currie and Domenic Manchisi with two goals each while Loren Padelford and Vince Montagne added singles.

At Guelph, the team lost 7-1 but had good chances to score that they were unable to convert. Pat McDonald had the lone Milton goal.

In Mimico, Padelford and Currie got singles again in a 7-2 loss. The team as a whole was much improved and generated scoring opportunities but couldn't put the ball in the net. Martin Pyle, playing goal for the first time this season, has shown great improvement over the three games.

The Milton midgets are unsponsored. Any company or organization interested in sponsoring the team can call Bob Fleming at 878-4572 for information.

Leworthy at U.S. national tourney

Robin Leworthy returned a little sore, a little wiser and a little more encouraged in her quest for a Canadian National Women's Lacrosse team berth.

She was recently in Baltimore, Maryland for the United States Women's Lacrosse Association national tournament in College Park at the University of Baltimore.

The Ontario team, which Leworthy plays for, was placed into the 'C' division of the five level competition which included teams from all over the world. College level teams, and state teams formed the bulk of the 40-50 squads in the competition.

The Ontario team lost its first three

games but rebounded to finish fifth in their eight team division which included teams representing New England, California, Central Pennsylvania and Philadelphia.

Leworthy managed to score a goal in the tournament. She said that the weather, which was extremely hot and humid wore the teams down and kept the scores low.

In addition, Leworthy has been nursing a sprained ankle and an inflamed achilles tendon. She has been sponsored by the Milton Pleasure League slo-pitch, the hockey old-timers, Brad Grant the owner of the Milton Merchants and the Milton Lions Club.
