MESSAGE FROM THE VILLAGE CONSTABLE

Tonight (Friday), is Moonlight Magic in downtown Milton. With this in mind, I would like to point out a few things to the citizens and visitors to Milton.

Beginning at 6:00 pm there is no parking on Main Street between James and Martin. Prior to the beginning of Moonlight Magic any vehicles found parked on Main Street in this area

will be towed away at the owner's expense. This action is provided for in Town of Milton By-law #14-92.

As a result I would ask the residents in this area not to leave their cars parked on Main Street Friday evening. Also I would ask these residents to take responsibility for their guests or visitors.

In the past there have been problems with cyclists, skateboarders and roller-skaters during the Moonlight Magic, I would remind everyone that Milton By-Law #1984-1 prohibits any bicycle (one, two, or three wheels) from being on any Town sidewalk. Further, this same By-law prohibits any roller-skating, rollerblading or skateboarding on any roadway in the Town.

Please, everyone observe these restrictions and let's make the Moonlight Magic a fun place to be.

**TONIGHT JUNE 19TH
