A good cause

Karmax Heavy Stamping recently donated \$1,200 to Milton District Hospital for the purchase of audio equipment used in speech therapy. The money was raised by the Milton company's charitable contributions committee. Making the presentation to Jane Copeland of the hospital board of directors and speech pathologist Pat Sandlos is Dick DeMars, general manger of Karmax.

This event begins June 19 and continues until June 27, 1992. All Factory incentives will be available.
