Ride vintage cars at museum Sunday

The public will have a chance to take a ride on historic street cars not normally in service at the Halton County Radial Railway Museum Sunday.

The Guelph Line museum — the largest of its kind in Canada — holds its annual Summer Extravaganza from 10 a.m. to 5 p.m.

The oldest vehicle in service, Number 327, is an open car of 1893 vintage. It was rebuilt in 1933 as a replica since the original was burned in 1916. Original trucks and other metal parts were used in the restoration.

Operated by volunteer crews, electric railway cars will run on a 1.5 kilometre track through a scenic wooded Niagara Escarpment area near Rockwood. Work cars will also be in service.

At 2 p.m., a special photo display will be uncovered by museum officials. The exhibit will be open until September 27.

Admission costs \$5.25 for adults, \$4.25 for seniors and students, and \$3 for children.

PET OF THE WEEK

Shogun is a well-mannered Shepherd-St. Bernard cross breed. The five year old, neutered dog is good with children and house-trained. He needs a home with a fenced yard.

If you are interested in adopting Shogun, contact the Oakville Humane Society, 445 Maple Ave., or call 845-1551.
