Dickens wins basement battle

Continued from Page 14

Vanderwater and Greg Elkie contributed three hits each.

Milton Colour's Pat Grant was four-for-four with a home run and two doubles. Carl Taylor had a three for four night but could not cross the plate.

Thursday's game at Omagh was an upset as Re/max suffered its third loss of the season at the hands of Goliger's Travel. The Bears led 8-6 after the third inning but proceeded to score seven times to break the game open, eventually taking it 24-20.

Goliger's Wayne Leblanc, Sandy Aquilanti (double, triple), Bob Roselle, Paul O'Meara and Graeme Colven (homer) all had four hits on

the night and accounted for 14 runs.

Merv Ball had a perfect four-for-four night for Re/max while teammates Ken Corder, Ben Nyholt (double and triple) and Loris Fagion (double and triple) contributed four hits each. John Burtwhistle had a home run for Re/max.

Fat Freddy's, looking to take over first place in Division I, met divisional rival St. Clair Paint and Paper at Drumquin and dumped them 23-15.

Don Simpson of Freddy's went seven-for-seven at the plate, hitting a double and six singles and scoring five runs. Paul Cameron chipped in with six hits, including a double and two triples, with four runs scored. Willard Rath (double and triple) Bob

Down and Ron Brown added five hits each.

For St. Clair, Glen Bragg, Pat Thompson (home run), Neil Wood and Dunc Currie all went four-for-six, and accounted for seven of the Painter's 15 runs.

Hollywood's Spotlight: We know him as Rucci, although his name is Ricci, Mario Ricci. A member of our league since day one, he was the league's second president and organizer of the first tournament. Always a smile on his face and determination in his eyes, Mario just seems to go on and on. His hair is a lot greyer now, but so is mine. Mario Ricci is our Father Time.
