### Show stopper

A 1959 Messerschmitt was one of several vintage vehicles on display at the farmers' market downtown Saturday. The car show was put on by the Antique and Classic Car Club which held its annual meet in Milton this year. Here, Amy O'Connor stops to check out the two-seater classic.

## Fitness program for pre-schoolers

A new pre-school exercise class guaranteed to promote fun and fitness is being offered by the North Halton Association for the Developmentally Handicapped this fall. The program's thematic approach introduces children to activities such as dance, climbing, creative movement, rhythmic, trampoline, drama, ball activities, and game-oriented exercise. All children are welcome. An open house for the program will be held August 25 and 26 from 11 a.m. to 2 p.m. in Dorm 2 at the E.C. Drury High School complex. For more information, call 878-7656.
