

Luxfords celebrate 60th wedding anniversary

Austin and Mary Luxford were honoured on their 60th wedding anniversary at a garden party held at the home of Carolyn Mellon, one of their six daughters.

All six girls were present — Helen, Donna, Elizabeth, Joanne, Carolyn, and Kathryn. Their son Ted was out of the province at the time.

All of Mrs Luxford's three sisters were present — Helen of Burlington, Edith of Victoria, B.C., and Kathryn of Southampton. Many friends and relatives were also present for the occasion.

A surprise finale was the arrival of seven members of the Lorne Scots Pipes and Drums which delighted the audience.

Austin and Mary Luxford recently celebrated their 60th wedding anniversary.

Bible campers create quilts

A wall-hanging at St. David's Presbyterian Church in Campbellville will serve as a reminder of the most successful summer Bible camp held there.

"Together in Jesus' Name" was the theme of Vacation Bible School held at St. David's from July 20-24.

Ninety children between the ages of 3 and 12 met each morning in the church and joined together for a lively sing-song and worship time before going down to their classes to participate in Bible stories, crafts, games, and snacks.

All of the activities centred around five themes — 'belonging in God's family', 'Growing in Faith', 'Forgiving Others', 'Thanking the Lord' and 'Telling the News'.

As an offering project, all the children contributed tinned and non-perishable food.

Four large boxes were filled and taken to the Salvation Army's Food Bank in Milton.

A special feature of the VBS program this year was the community project. Every child designed a quilt block and these blocks were sewn together to make two quilts and a wall-hanging, the latter of which will hang in St. David's as a reminder of the fun-filled week.

Parents and caregivers joined the children on the last day for the closing program and a barbecue provided by the church.

This week was a tremendous success and was possible only because of the large team of community members who gave so freely of their time and talents.

"They deserve a big vote of thanks," says Norma Smith, who coordinated the week's activities.

"Already there are recommendations and volunteers to assist with next year's program."

Baby course

Are you expecting a baby this winter?

The Halton Regional Health Department offers an information series for expectant parents.

If your baby is due in January, February, or March, register now for the early series by calling 825-6060.
