Jasper Martin Old-Fashioned Day
August 29, 1992 8:00 - 12 noon

Many of you remember when the whole community dressed up in clothes of days gone by to help celebrate Steam Era, well we're asking you to do it again for the week beginning August 29 through the Labour Day weekend.

It isn't difficult - Ladies - take out that long skirt you haven't worn for a few years, add a frilly top and top it off with an "Anne of Green Gables" bonnet!!
Gents - Black pants, white shirt, black armbands and a straw boater.

Windows - Dress them up too with products from the past or maybe prices from the past!!!

Old-fashioned recipe

contests and best dressed contest will add to the spirit of the Days.
CANADA is celebrating its 125 Birthday this year so what better time to go back to a slower pace where neighbourliness abounded.

*Join in the fun this
Jasper Martin Day,
everyone!*
