

Close encounters with bats

Have you ever seen hundreds of bats drop down from their daytime roost to begin their nightly routine of hunting insects?

You can during the fourth annual Evening with Bats at Mountsberg Wildlife Centre Sunday from 7:30 to 9:30 p.m. Participants will witness the flight pattern of the bats from the barn. Guest speakers and staff will help explain some of the myths and mysteries which surround the little creatures.

Space for the program is limited and pre-registration, in person, is required. Admission is by advance payment only. The cost is \$5 for adults and \$3 for children and seniors. Call 854-2276 for more information.
