

Jim Leworthy named all-star

Jimmy Leworthy was recently selected to the Ontario bantam all-star lacrosse team, after his Milton team was knocked out of the championship tournament qualifying rounds. It is the first time a Milton player has ever been named to an Ontario lacrosse all-star team. He was the only player in the tournament to be named for the honour by all participating teams.

In seven games of the tournament Leworthy scored nine goals and added eight assists while taking 12 minutes in penalties. He is joined on the all-star team by two players from Toronto Beaches, two players from the powerful Whitby team and one each from Burlington and Spartans.

The award was announced at the conclusion of the tournament and is an indicator of the progress of the six year old Milton Lacrosse Association.

In the same tournament goaltender Willie Noon, who has continued to play in Milton although now a resident of Lewiston, New York, ended with a goals against average of 5.80 which was lower than many goaltenders on the more successful teams and in the best seven in the tournament.

Confederation Cup final on Sunday

Some of North America's best three-year-old pacing colts will be at Flamboro Downs for the Confederation Cup on Sunday.

A record 118 pacers were nominated for the \$350,000 (estimated) race back on March 15. On May 15 a \$1,500 sustaining fee was due and 68 owners stayed in the race for the Cup.

The most notable pacer is Western Hanover, owned by George Segal of Kentucky and trained by Gene Riegler has won seven times in 12 races in 1992. As a two-year-old, Western Hanover had a mark of 1:52.1 and banked \$697,332. This season the horse has raced to \$810,212 and has established a new mark of 1:50.4. With just over \$1.5 million in lifetime earnings the horse is the richest Cup eligible.

Other top pacers include: Admirals Galley, Big Brat, Bruce My Boy, Caprock, Driven By Design, Shipp's Saint, and Shore Patrol.

Arcane Hanover captured the 1991 Confederation Cup with a new track and Canadian record of 1:53.2 in front of 7,288 fans.

According to officials of the Cup, one of the jewels in what has been described as the 'Canadian Triple Crown' it is every bit as demanding as its sister races The North American Cup and the Prix d'ete. It is contested in one day of fierce competition including heats and finals on a banked half-mile oval.

Post time is 1:30 p.m. Flamboro Downs is located between Highway 6 and Highway 8 on Highway 5.
