*Do You Really Know What You're Buying?*

## Test Yourself

- Does your coverage change just because you're a senior?
- Snowbirds, are you required to take a medical to qualify for coverage?
- Who helps you in an emergency? — Your insurance provider who knows your coverage? Or some assistance service?
- What happens in an emergency? Do you pay up front?
- What kind of experience does your Travel Health Insurer have? Are they travel insurance experts?
