SHERIDAN COLLEGE

Re-Appointment of College President

The Board of Governors of Sheridan College is pleased to announce the re-appointment of President Mary Elizabeth Hofstetter, of Burlington.

The Board recognizes the President's outstanding performance during the past four years and looks forward to the continued success of the College under her dynamic leadership.

"It was both great fortune and foresight that brought Mary Hofstetter to Sheridan in 1988, and it will, indeed, be a coup to continue the College's mission under her astute leadership for the next six years."

Mary exemplifies fortitude, vision, and compassion — qualities with which she will continue to empower the Sheridan team to embrace the new-age challenges we, as education and business leaders, must face together."

R. Cameron Grout
Chair, Board of Governors
