## Urban Fall Leaf Collection Program

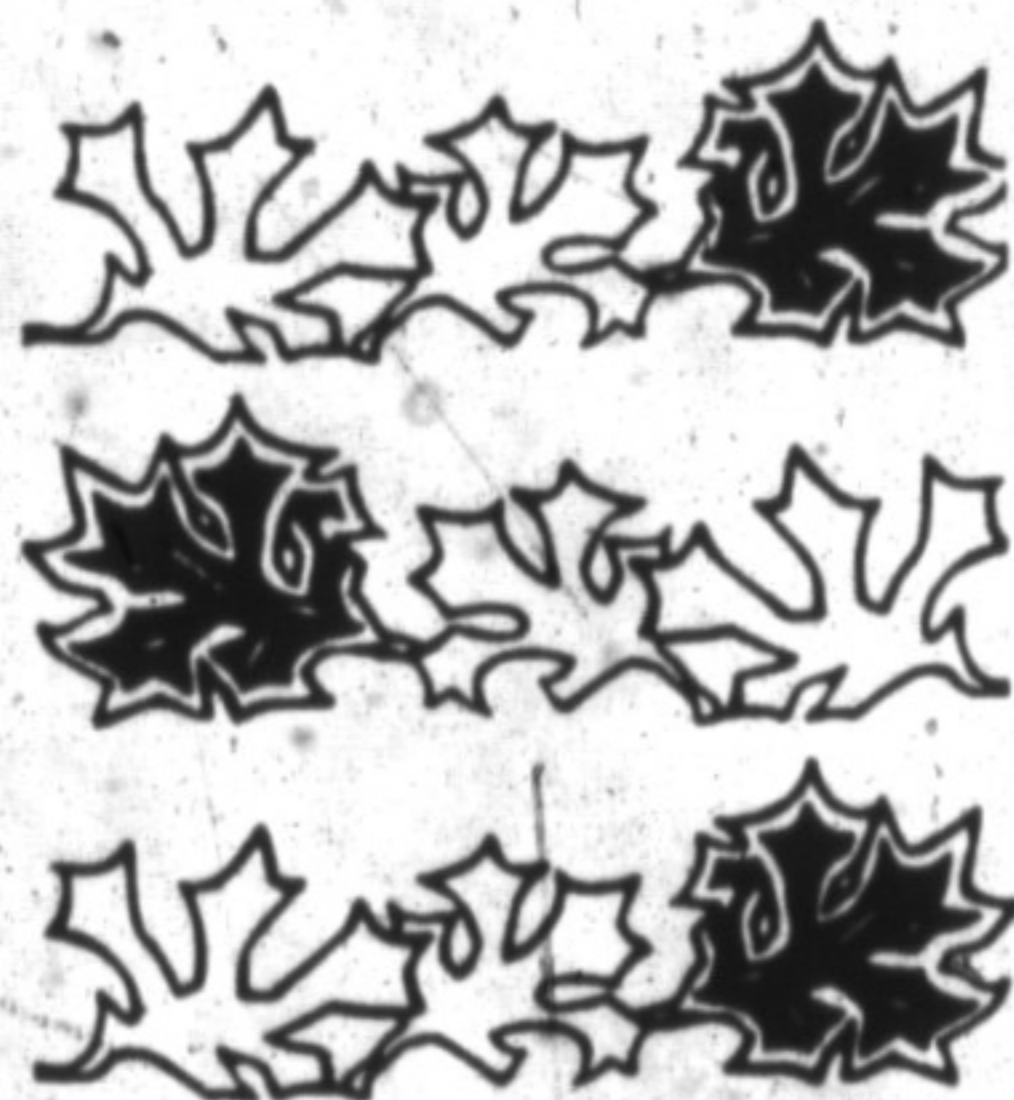

The program encourages bagging all excess leaves, that cannot be composted, in Clear Plastic Bags, available at your local grocery store. If your property fronts onto a roadside drainage swale, please collect all leaves and bag for collection. Collection of Clear Plastic Bags for Urban

Residential properties will be performed on 2 separate days for 5 consecutive weeks.

## COUNTRY MILE of MILTON

Carriage Square 878-1070

To celebrate their first anniversary in business Country Mile of Milton moved to larger premises within Carriage Square. Located between Shoppers Drug Mart and Baker's Dozen Donuts, Country Mile is enjoying greater visibility and increased traffic.

Filled with treasures reminiscent of days gone by, shopping for that perfect gift is a pleasure. Pottery, blankets, miniatures, stuffed toys, candles, country clocks, lampshades and much more fill the shelves of the shop.

Some of the new items include quilting fabrics by Peter Pan & Springmaid; quilting supplies; country plaids & checks; enamel ware and spongeware.

The expanded workshop continues to supply the shop with shelves, mirrors, cupboards, quilt racks, blanket boxes and harvest tables in a

variety of woods. Jennifer and Kent want to THANK everyone in the community who have supported them and allowed them to grow. Please drop in and visit the new location in Downtown Milton.

P.S. - We have stroller friendly aisles!!!
