Douglas Parks is the owner/operator of Precision Ski-n-Sport, a new business dedicated to providing Miltonians with the latest ski equipment, ski tuning, boot fitting & foot beds as well as fashionable ski wear.

K2, Head, Tyrolea and Rossignol are the equipment lines carried in the store while Marker Raichlie, Hot Chili, Bolle, Far West, Banff Designs and Nordica Kastle comprise the fashionwear.

A full line of rental equipment will be available at daily, weekly and monthly rates. Tune-ups (edging & waxing), bindings and fittings are guaranteed to be ready within 24 hours.

Precision Ski-n-Sport is offering a seasons pass for all tune-ups at the low price of \$60.00 between Thursday, October 15 thru Monday, October 26, 1992. This means that all tunes or waxings will be done throughout the 1992-3 season as often as you like for the low price of \$60.00! Unbelievable.

Skiing is the focus of the winter months but come spring bikes, tennis and golf equipment will take centre stage.

Store hours are 9-9 Monday thru

Friday; 9-6 Saturday and 12-5 Sunday. Drop in and support your newest Downtown business.

Douglas would like to take this opportunity to publicly thank the people who made his dream a reality; Sandra Parks (his mom), Soren Jensen, Brian Veitch, Phil Leach, Scott Charleton and Glenn Innes.
