Three losses for major bantams

The Halton Hurricane Major Bantam squad has been struggling in recent ice action. They haven't been able to buy themselves a win in the last two weeks and have posted only one goal in their last three outings.

Last Wednesday the team was downed 4-1 at home against Brampton. The local squad blasted 30 shots at Brampton's goalie but could only connect on one, that coming from the stick of Daryl Loader. Scott Bertoli picked up an assist for the Leaver squad.

The previous week the boys took 4-0 and 5-0 defeats to perennial rivals Burlington and Barrie respectively. Despite these losses, the local crew have played well.

Jaycees bantam A's split two

The Milton Jaycees Bantam 'A' hockey squad took a two game split last week, dropping a 7-2 decision to Brampton in exhibition play last Monday and earning a strong 7-1 victory over Acton at home Thursday evening.

Milton was first on the scoreboard in Monday's contest but quickly fell behind to Brampton's powerful offensive unit. Netting both Milton goals Monday was Jason Neal. Recording assists were Jon Ellison, Neil Blanchet, Chris Healey and Ryan Leal.

The local team were clearly the dominate force in Thursday's match-up. Leading Milton's offensive attack was team captain Doug Frehs with four goals. Scoring singles were Tim Ceelen, Aaron Curran and Chris Healey. Recording assists were Blanchet, Paul Mochan, Curran, Jason Neal, Ryan Pender, Trevor Petherick, and Myles Seeds.

Minor bantams win 18-0

The Halton Hurricane Minor Bantam hockey team has been leaving competition in the dust in the last month, earning top spots in recent tournaments and posting an incredible 18-0 victory over Streetsville.

During the recent Red Wing tournament in Toronto, the local players made it to quarter-final action where they were defeated 2-1 by the eventual finalists, the Mississauga Reps.

On route to the quarter-finals, Milton beat Markham Thunder 3-2, edged out Toronto Young Nats 4-3 and beat Team Illinois 1-0. In the first game goals came from

Tom Baynton with two and one for newcomer Danny Haw. Assists were by Matt Rimmer (2), Steve Roy and Curtis Carr. Halton scorers in game two were Matt Vervoorn, Justin Davis and Rimmer. Assists went to Peter Mashinter (2) and Darin Finlayson.

The third game was a 6-3 loss to Kingston. Hurricane goals were by Rimmer, Carr and Baynton with Davis and Robert Harringa assisting. John Atley posted the only Halton goal in the fourth game against Team Illinois.

Streetsville was destroyed in recent league play by an over-powering Milton crew 18-0. Jeff Langille and Geoff Beauparlant combined for the shutout for the local squad.

Finlayson led the attack with four goals while teammate Danny Haw canred a hat-trick. Matt Rimmer, Tom Baynton, Peter Mashinter, Steven Roy, and Robert Harringa each scored a pair while netting one was Matt Vervoorn.

The locals made it to the semi-finals in a recent tournament in Markham. In the semis, the crew was downed 2-1 by the Detroit Falcons. En route to the semi-finals, the team posting victories over Oshawa 2-1, Sudbury 4-0, and Quinte 4-3.

Houlihan's hat-trick paces novice AA

The P.L. Robertson "AA" Novice hockey team continued their winning ways this past weekend with a pair of decisive victories. First they pounded out a 6-1 win over Orangeville and then went on to take down Dundas 5-1.

The local crew got off to a flying start against Orangeville and held on to their lead with great skating and solid netminding from Tyler Saliba and Bill Gleed.

Scoring for Milton were Evan Jeans (2), Caleb Moffat, Thomas Houlihan, Rickey Nadalin and Travis Vanhoosen.

Recording tallies for Milton against Dundas were Houlihan with a hat-trick, Moffat and Mark Rosselle.

Legion atoms split weekend games

Milton's Royal Canadian Legion Branch 136 major atom AA hockey reps earned a split in weekend action, losing to Orangeville 4-2 but dominating Dundas for an 8-1 win.

Milton started quickly against visiting Orangeville, with Chris Bramwell scoring less than two minutes into the game. Greg Moore collected the assist.

In the second period, the visitors took a 2-1 lead, only to have Milton's Derek Birnie counter 14 seconds later with the tying goal.

Milton played well defensively, with strong efforts from Bryan Gent and Darryl Penson, backed by solid goaltending from Brett McClure. But Orangeville came back to capitalize on a powerplay late in the third period, then added an insurance goal.

Milton overwhelmed Dundas in their second game, persistently forechecking and bombarding the Dundas net at every opportunity.

Mike Wheelihan popped a pair of goals and added two assists, Adam Hearn got two and an assist, while singles went to Kevin Heffron, who also chipped in with three assists, Greg Moore, Chris Bramwell and Birnie. Penson and Kaegan Sherriff each also added an assist.

Major peewees fall to Hamilton

Chris Noronha shattered a shutout by answering a seven-goal Hamilton onslaught last week as Milton's Slessor Motors major peewee AA hockey reps fell 10-1 to the visitors.

In other action, Ancaster downed Milton 4-1 at Memorial Arena. Milton goalie Kyle Garon had a good outing in holding Hamilton to only four goals. Luke Redditt tapped one in for Milton late in the third period.

Novice AA Selects lose two, tie one

Last week's action was a lesson in humility for the Minor Novice AA Select One group.

Two lopsided losses were preceded by a solid effort in Georgetown last Tuesday.

Minutes later, in the only Milton lapse in the game, Georgetown scored twice when Milton failed to clear the front of their net.

Before the period ended however, Robbie Petherick scored the first of his two goals on the night when he picked up a loose puck at the Milton blue line, skated in alone and buried the puck in the bottom corner of the net.

Late in the second, Petherick was fed a pass from Nathaniel Wicken out of the face-off circle, and rifled it home to knot the score at two.

In the strange play category, Sean Welsh apparently scored the game winner as time ran out in the third frame, the net came off the magnet and the buzzer failed to sound. The referee ruled no goal and both teams left with one point.

MDHS cagers will fold without volunteer coach

Unless somebody from the community volunteers to coach it, there won't be a Milton District High school senior boys basketball team this year.

That's the word from school physical education director Bryan Camani, who added that he needs to have a firm commitment from a potential coach by November 30. The season starts in December.

There is considerable interest among prospective players. "We've got a team," Camani said. "The team is there. But if we don't get a coach we're going to have to fold it."

The coaching position doesn't pay, and requires someone willing to devote enough time to it to see the team through two games a week and "a couple of practices," Camani said. The coach should also have a solid basketball background. The timing of the practices "can be negotiated," Camani added.

Anyone interested should contact Bryan Camani at Milton District High School, 878-2839.
